Hello! I am the founder of the generative AI platform xFigura and co-founder of the design practice ArchiTAG. As a qualified ARB architect, technology-driven educator, and techno-optimist entrepreneur, my vision is to build a more inclusive, carbon positive, and human-centric future.

## EDUCATION

- Sept. 2020 - June 2022 ○ **HARVARD GRADUATE SCHOOL OF DESIGN**
  - MArch II Graduate Program, Commendation. Thesis Advisors : Andrew Witt, Jose Luis del Castillo Lopez, Awarded [Digital Design Prize 2022](#)
  - Cross registration at MIT Media Lab + MIT Sloan School of Management
- Sept. 2018 ○ **RIBA NORTH WEST**
  - UK ARB Architect Qualification - RIBA Part 3
- Sept. 2015 - June 2017 ○ **ARCHITECTURAL ASSOCIATION SCHOOL OF ARCHITECTURE**
  - AA Diploma - RIBA Part 2
- Sept. 2010 - June 2013 ○ **OXFORD BROOKES UNIVERSITY**
  - BA(Hons) - RIBA Part 1

## PROFESSIONAL EXPERIENCE

- Present ○ **FOUNDER, CEO - [XFIGURA.AI](https://www.xfigura.ai)**

xFigura is an AI-powered architecture ideation platform that enables architects and designers to collaboratively generate, visualize, and refine design concepts with 30+ cutting-edge image and 3D model generation tools. Now partnering with leading architecture firms and used by thousands of users.

  - xFigura Waitlist Open + Beta users (Feb. 2025)
  - Harvard HAE Accelerator (2024)
  - Leading a growing team of 7, including full stack software + product engineers, marketing strategist, and sales representative.
- Dec. 2019 - Present ○ **CO-FOUNDER - [ARCHITAG LLC](https://www.architag.co.uk)**

We are a multidisciplinary architecture & technology practice that works between practice, research and academia. Project use built form and emerging technologies to augment and mediate human experience, interaction, and perception. Our toolkit includes custom AI technical solutions, mixed realities, and emerging methods of design practice.

  - Ongoing • 2025 Venice Biennale Exhibition - [Designing a Zero-Carbon Future AI and the Power of Collective Imagination](#) - Canons Exhibit, Project Lead.
  - Ongoing • [Monday.com Tech School Pilot AI Program](#) - hands-on training in AI, 3D printing, and design to help underserved NY students build the skills they need for success. Lead instructor and curriculum design for 600 + students across 20+ school, in collaboration with the Department of Education. New York, USA
  - Ongoing • AI Design Consultancy for 200 person Architecture Firm - AI strategy consultancy with R&D and custom tool building for latest image generation & RAG models. Boston, USA
  - Ongoing • Design Lead for [Mwamba Climbing](#), Uganda's first rock climbing gym facility. In collaboration with Global Climbing Initiative. Kampala, Uganda
  - 2023/2024 • [MUDI Reality +](#) - Augmented Reality installation in permanent gallery in the Museo MUDI in Castel San Pietro Romano, Italy

Full project list at [www.architag.co.uk](https://www.architag.co.uk)
- 2022 - 2024 ○ **CO-FOUNDER - SKILLVERSE**

Early Stage Ed-tech Start up using AI and VR to democratize high quality education

  - Harvard Innovation Lab - Start it track (2022); MIT Fuse Accelerator at Martin Trust Center (2023); MIT Sandbox Innovation Fund Program (2023)
- Aug. 2022 - Dec. 2023 ○ **ML CONSULTANT - CERTAIN MEASURES**

Part-time consultant on data driven design exhibitions + AI workflows.
- Sept. 2017 - June 2020 ○ **ARCHITECT + LEED AP - FOSTER + PARTNERS**

ARB RIBA and LEED AP Architect on high-end International projects, based in London headquarters as part of Studio 3.
- Sept. 2017 - June 2020 ○ **ARCHITECTURAL ASSISTANT - CZWG ARCHITECTS**

Part 1 Architectural Assistant on UK based cultural and residential projects.

## ACADEMIC WORK / RESEARCH

Fall 2025	LECTURER - STUART WEITZMAN SCHOOL OF DESIGN - UPENN ARCH 7326-001 Design Intelligence: AI Prototyping for Architects
Sept. 2022 - Present	TEACHING FELLOW - HARVARD GRADUATE SCHOOL OF DESIGN <ul style="list-style-type: none"> <li>STU-1231 - <a href="#">Collaborative Design Engineering Studio I</a> with SEAS (Fall 2024)</li> <li>STU-1231 - <a href="#">Collaborative Design Engineering Studio I</a> with SEAS (Fall 2023)</li> <li>VIS-2224 - <a href="#">Neural Bodies</a> with Andrew Witt (Spring 2023)</li> <li>SCI-6365 - <a href="#">Enactive Design</a>: Creative Applications through Concurrent Human-Machine Interaction, with Jose Luis Garcia del Castillo (Fall 2022)</li> </ul>
March 2021 - Spring 2024	RESEARCH ASSOCIATE - HARVARD LABORATORY FOR DESIGN TECHNOLOGIES <ul style="list-style-type: none"> <li>Research focus on computer vision applied to adaptive reuse topics, Web3 in Real Estate, Material Perception using Virtual Reality.</li> <li>Prior research as research assistant conducted on 3D machine learning, including workflows using StyleGAN, 3DGAN, ShapeGAN.</li> </ul>
Spring 2024	ADJUNCT PROFESSOR - WENTWORTH INSTITUTE OF TECHNOLOGY From Datasets to Places: Generative AI in Design Practices, Graduate Elective
Spring 2024	VISITING LECTURER - NORTHEASTERN UNIVERSITY (CAMD) Prototyping with Code, Undergraduate Elective
Fall 2022	RESEARCH ASSISTANT - CITY SCIENCE GROUP AT MIT MEDIA LAB Research on genetic city design processes and visualization.
Jan. 2021 - May. 2022	TEACHING ASSISTANT - HARVARD GRADUATE SCHOOL OF DESIGN <ul style="list-style-type: none"> <li>STU-1320 - Kit House Studio with George Legendre (Spring 2022);</li> <li>VIS-2224 - Neural Bodies with Andrew Witt (Fall 2022)</li> <li>VIS-2227 - Writing Form with George Legendre (Spring 2021)</li> </ul>

Ongoing	THESIS ADVISOR <ul style="list-style-type: none"> <li>Spring 2025 - Vera Wu, Yiko Li @Harvard MDE - "Enhancing Digital Literacy Through Multi-Agent Interaction"</li> <li>Fall 2025 - Thomas Morden @WIT - "HyperReal Urban Experiences - A Mixed Reality Experience" <i>Edward Allen Student Award for Excellence in Building Technologies</i></li> <li>Spring 2024 - Dante Egizi @WIT - "Let's Connect: Extending Reality, Transforming the Home"</li> </ul>

## SELECTED WORKSHOPS

Ongoing Weekly	Onboarding or Academic Workshops for xFigura.ai - ETH, HKU, GSD, UF, UM, UH etc.
Aug. 2025	<a href="#">City Futures AI Workshop + Challenge</a> - Futurly Workshop on xFigura, ComfyUI, and AI-Aided Design Workflows, Online
Aug. 2025	Design Intelligence: AI Tools & Tactics for MDE - Harvard MDE pre-term workshop
April 2025	<a href="#">Neural Architecture: AI-Powered Form-Building</a> - PAAcademy - Online Workshop on 3D generative AI workflows & applications in Architecture
Nov. 2025	AI + Architecture Ideation Workshop - Carnegie Mellon University Architecture
Dec. 2024	So, what about control: AI and future of practice - University of Toronto - Humbi Song AI Elective
Oct. 2024	<a href="#">Advanced AI Workshop</a> - DigitalFutures Series
June 2024	Artificial Intelligence in Architecture: Let's Talk Regulation - NCARB Annual Business Meeting 2024 - Chicago
Mar. 2024	AI in Design Practices - Workshop @University of South California
Mar. 2024	Introduction to 3D Generative AI - Workshop @Florida International University
Mar. 2024	<a href="#">Architectural Intelligence</a> - Catalyst 2024 5-day Workshop - University of Minnesota
Oct. 2023	<a href="#">3D Neural Synthesis</a> - ArchiTAG Workshop on 3D AI + Architecture

## SKILLS

3D Modeling: Revit, AutoCAD, Rhinoceros, Unity, Unreal, Houdini

Coding: Grasshopper + Plugins, C#, Python including ML frameworks, Processing, Arduino, basic front end-development etc.

Rendering + Design: V-Ray, Full Adobe Suite, Figma, Lumion, Octane

Digital Fabrication + Robotics: Arduino, RobotStudio, ABB 3D Printing

Other: Am a long time rock climber and love the outdoors!

Languages: English + Italian (Fluent), French (Academic B2), Spanish (Basic)
