If it Rots, Green is the Spot!

When you place food scraps, food soiled paper, and yard trimmings inside your Organics cart, it gets processed into rich compost.

Proper sorting makes a difference! Keep it clean and avoid a contaminated cart.

**NØ Styrofoam®,
Plastic, Compostable
Plastics, Black Bags,
Glass, or Metal.**

For a full list of what belongs in your green **Organics** cart, scan QR code below or visit:
