

Keep Livermore Clean & Green: Free Tools Just for You!

We're making it easier for you to keep Livermore clean and sustainable, and it starts with a few free essentials:

- **Cooking/Motor Oil & Filters:** Single-family homes can get free oil jugs & filter bags. Just call us to request delivery. Place oil in the jug and seal; place the filter in the bag and seal. Place both of them next to (NOT INSIDE) your carts for collection.

- **Kitchen Pails:** Make food scrap collection easy with a complimentary kitchen pail. This small counter-top container helps you collect food scraps and transfer them to your curbside organics cart. Call us to request yours today!

Ensuring Safe and Efficient Garbage Collection:

Why Proper Cart Placement Matters.

Accessibility: Clear access allows garbage trucks to pick up carts efficiently, preventing missed collections due to obstacles.

Safety: Obstacles near carts endanger drivers by blocking visibility and maneuverability.

Efficiency: Proper cart placement speeds up collection and ensures timely service.
