

Don't Waste Food

Californians throw away nearly 6 million tons of food waste each year. This equals 18 percent of all the material that goes to landfills.

Did You Know?

DONATING FOOD IS THE RIGHT THING TO DO, AND IT'S TOTALLY SAFE. The Bill Emerson Good Samaritan Food Donation Act passed in 1996 protects restaurants from civil and criminal liability should a recipient get ill or hurt as a result of consumed donated food. Donors are only culpable in cases of gross negligence or intentional misconduct.

Real Holiday Trees are a Renewable Resource!

- Real holiday trees grown on farms emit oxygen and absorb carbon dioxide and other greenhouse gases that contribute to global warming.
- Tree farms also help stabilize the soil, protect water supplies, and provide refuge for wildlife.
- Real holiday trees that are not flocked are 100% compostable.

MULTI-FAMILY CUSTOMERS: Livermore Sanitation will pick up trees from designated areas January 5 - 9, 2026. Multi-family building owners and managers please contact us before January 2, 2026 to designate a drop off area and to schedule a pickup.

COMMERCIAL CUSTOMERS: We will collect large holiday trees from our commercial customers for a fee. Call us for pricing. To arrange collection, contact us at 925-449-7300 or visit: www.LivermoreSanitation.com.

ALL CLEAN GREEN TREES WILL BE COMPOSTED! PLEASE REMEMBER:

- All lights, decorations, and tree stands must be removed.
- Trees should not be wrapped or bagged.
- Trees over 6-feet tall must be cut in half.
- You can always cut trees into small pieces and place inside your **Organics** cart or bin.
- Fake and flocked trees **cannot** be composted and are disposed of as garbage in the landfill.

Thank you for your dedication to reducing, reusing, recycling, and composting. From all of us at Livermore Sanitation, we wish you a joyous holiday season and a fantastic 2026!
