How can we make sorting even easier?

By offering handy kitchen pails for food scraps. Let's make sorting simple!

California requires **organics** collection for multi-family buildings, including food scraps and soiled paper. Livermore Sanitation offers free food pails to help you comply. Call us to get started!

- Food scraps are a large part of what makes up the waste stream.
- Food scraps and food-soiled paper like used napkins and pizza boxes are required to be separated from the garbage.

Contact us today at **925-449-7300** to request food pails for your tenants!
