

## Federal Programs

The following federal funding sources can be used for Alongside –see Appendix A for details.

*\*denotes alignment to Artificial Intelligence (AI) education priorities set forth in the 2025 executive order.*

- Title I, Part A\*—Improving Basic Programs Operated by Local Educational Agencies
- Title I, Part C—Migrant Education
- Title I, Part D—Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent, or At-Risk
- Title II, Part A\* - Improving Teacher Quality
- Title IV, Part A\*—Student Support and Academic Enrichment (SSAE) Grants
- Title VI, Part B, Subpart 1—Small, Rural School Grant Program
- Title VI, Part B, Subpart 2—Rural and Low-Income School Program
- Title VIII—Impact Aid
- IDEA\*—Special Education Grants to States
- McKinney-Vento Homeless Assistance Act
- Project Aware
- Promoting Student Resilience
- Stronger Connections Grant (Bipartisan Safer Communities Act)

## National Information

- Grants.gov (formula and discretionary grant opportunities from 26 federal agencies)
- US Department of Education Available Grants
- Greenlights Initiative (their mission is matching grants with schools)
- National Education Association grants resources ARP ESSER Funds
- American Counseling Association list of resources

## State Level Information

- Education Commission of the States - State Funding List
- Medicaid (varies by state)
- Governor's Emergency Education Relief Fund (GEER)
- Fundsnet (private funding by state)

## Additional Considerations

- **Local Education Foundation Grants** - If you need help with information or creating a presentation for your local Education Foundation, please let us know. We are happy to help!
- Partner with Health Educators and PE Department to meet standards and share funds (see state standards, ex. Indiana)
- Cook Center for Human Connection Grants <https://cookcenter.org/grants/>

## Appendix

**Federal Title Funding Program Examples:** \* denotes AI priority alignment

### **Title I, Part A\***, Improving Basic Programs Operated by Local Educational Agencies

*Program Examples: Additional school counselors, behavioral supports, and SEL (Social-Emotional Learning) methods that improve school climate, increase attendance, and improve physical and mental health.*

*AI Application: Schools can integrate AI-powered tools to provide differentiated, equitable learning experiences and to deliver personalized instruction to meet the needs of disadvantaged students.*

### **Title I, Part D**, The Prevention and Intervention Programs for Children and Youth Who Are Neglected, Delinquent or At Risk

*Program Examples: Additional school counselors, behavioral supports, and SEL (Social-Emotional Learning) methods that improve school climate, increase attendance, and improve physical and mental health.*

### **Title II, Part A\***: Growing Teacher Development and Professional Learning

*Program Examples: Training for identifying students affected by trauma and mental illness, learning methods to improve student behavior, identifying students for early interventions, and engaging parents, families, and communities.*

*AI Application: Districts can use these funds to provide teachers with training on how to effectively integrate AI-powered tools into their classrooms for personalized teaching.*

### **Title IV Part A\***: Improving Student Academic Achievement

*Program Examples: Mentoring and counseling programs, establishing drop-out and re-entry programs, and integrating systems of student and family supports.*

*AI Application: Schools can implement AI solutions to enhance digital learning environments, personalize instruction, and provide innovative tools for lesson planning.*

### **AWARE (Advancing Wellness and Resilience in Education):** Partnering for school-based mental health programs

*Program Examples: SEL initiatives, training educators to detect and respond to mental health issues, and connecting children, youth, and families who experience behavioral health issues with appropriate services.*

### **IDEA Part B \* (Individuals with Disabilities Education Act):** Providing Specialized Funding to Support Children with Disabilities

*Program Examples: Counseling support and tools*

*AI Alignment: AI tools can offer customized support and accessibility features, such as real-time scaffolding and differentiated materials, to meet the unique needs of students with disabilities.*
