

DONATION POLICY

COLQUIMICA ADHESIVES

CREATING BONDS

1. PURPOSE

The purpose of this Policy is to establish rules and regulations regarding the allocation of donations by the Colquímica Group, ensuring that they are carried out in a transparent, responsible manner and in line with the organization's values and sustainability commitments.

For the purposes of this Policy, a donation is understood as any financial, material or service contribution made without the expectation of a direct or corresponding benefit to Colquímica, intended to support social, social, environmental, educational, cultural or other social responsibility initiatives. This Policy applies to all donations made by Colquímica, regardless of their nature or value.

All donations must be made in a transparent and duly documented manner, reflecting Colquímica's commitment to society, the communities in which it operates, and the protection of the environment. In the allocation of donations, priority should be given to initiatives that promote sustainable development and the creation of social value.

This policy is part of Colquímica's ethics and compliance system and must be interpreted in conjunction with the Code of Ethics and Conduct and the Plan for the Prevention of Risks of Corruption and Related Misconduct, contributing to the prevention of corruption risks, conflicts of interest, excessive favoritism and other irregularities, in accordance with Colquímica's principles and values.

2. SCOPE

This policy determines and regulates the allocation of donations and applies to the Colquímica Group. This policy also includes the emergency assistance that Colquímica provides in the event of unexpected and critical events.

3. DEFINITION OF THE BUDGET

Each year, the Sustainability and Quality Department submits a budget proposal to the Governing Board on the allocation of grants. The corresponding proposal must be reviewed and approved by the Governing Board.

4. COMMITMENT

Colquímica is committed to supporting institutions that promote the environmental, social and economic development of the sector and the regions in which it operates. We strive to support the well-being of local communities and encourage actions that strengthen equality, equality and diversity in society. The priority areas of support are: the development of the municipality in which the company operates, projects aimed at children, young people and women, sports, culture and environmental initiatives.

5. BENEFICIARIES

Beneficiaries must be legal entities in the public or private sector that demonstrably need this type of support (donation). Donations will only be granted to entities that issue an appropriate receipt confirming the transfer of assets or securities.

Donations are not made to individuals or to political campaigns or initiatives.

6. DONATION PROCESS

Requests for donations must be sent through the form available on the website to the Department of Sustainability and Quality.

Requests for donations must include information about the event or project, the amount requested, the target audience, and the expected benefits. Applications will be evaluated based on criteria such as social impact, geographic proximity, compliance with Colquímica's values, and the credibility of the institution that submitted the request.

After the evaluation and analysis of the proposals, the responsible persons or delegates of the corresponding departments will inform the entities of the final decision.

All donations will be recorded and documented over a period of 1 year.
Donations will be made to the beneficiaries in exchange for receiving a receipt for the corresponding amount.

7. EMERGENCY ASSISTANCE

In case of critical and unforeseen situations (wars, floods, fires, etc.) Colquímica can support the financial community or through the goods and/or services of the community, institutions or other people in need.

The Board of Directors will decide on this type of support on its own initiative or at the direct request of Colquímica.

8. AUDIT

The Ethics Committee is responsible for reviewing compliance with this Policy and the procedures for awarding grants on an annual basis, preparing an appropriate audit report for consideration by the Board of Directors.

This policy enters into force on 9 November 2026.

Approved by the Board of Directors on 2 November 2026.
