

VERTI EXPO DUBAI 2025

7-9 October, 2025
Festival Arena, Festival City
Dubai, United Arab Emirates

www.vertiexpo.com

ABOUT MEDIAC

MEDIAC is a leading international event specialist in exhibitions and conferences, with over two decades of expertise in the field. With headquarters in Dubai, United Arab Emirates and a branch office in Shenzhen, China, MEDIAC has consistently delivered high impact events that foster collaboration and growth across various industries.

Our mission is to deliver consistently high-quality events that deliver business results through expertise, tightly controlled operating procedures, and attention to detail.

At the forefront of this organization is Mr. Abdulla A. Abulhoul with over 40 years of experience in exhibition management. His wise leadership and deep industry insight have been pivotal in shaping MEDIAC's success.

ABOUT VERTI EXPO DUBAI

VertiExpo Dubai is a premier international event dedicated to the VTOL (Vertical Takeoff and Landing) industry. The event serves as an international hub for global stakeholders in vertical aviation to converge, collaborate, and explore the latest advancements in technology and innovation.

We bring together industry leaders, technology pioneers, manufacturers, regulators, and service providers to showcase cutting-edge developments in vertical flight technology and urban transportation solutions that provides unmatched opportunities for networking, showcasing cutting-edge solutions, and engaging with a highly targeted audience from the Middle East and North Africa (MENA) region.

VertiExpo Dubai is co-located with **DroneTech Dubai**, creating a comprehensive exhibition and conference for innovations dedicated to the rapidly evolving world of vertical aviation.

ABOUT THE VENUE

Festival Arena, Festival City – Dubai, UAE

The **VertiExpo Dubai 2025** will take place from October 7 to 9 at the **Festival Arena**, Dubai Festival City – Dubai, United Arab Emirates. As one of Dubai's top event spaces, it offers modern facilities, easy access to hotels, shopping, and dining options, ample parking, and excellent transport links, making it a convenient and strategic choice for attendees worldwide.

EVENT SECTORS

01

eVTOL Aircrafts
(Electric Vertical
Takeoff and Landing)

02

Unmanned
Aerial Vehicles
(UAV) / Drones

03

Urban
Air Mobility
(UAM)

04

Hybrid
VTOL
Aircraft

05

Helicopters

06

Advanced
Air Mobility
(AAM)

07

Military
and
Defense

08

Infrastructure
and Support
Systems

09

Cargo
and
Logistics

10

Search
and Rescue
(SAR)

11

Offshore and
Industrial
Operations

12

Agriculture and
Environmental
Monitoring

WHO SHOULD EXHIBIT

A variety of companies, ranging from startups to large enterprises, specialising in vertical take-off and landing (VTOL) product and services.

- **eVTOL Manufacturers**
- **Urban Air Mobility Service Providers**
- **Advanced Avionics and Navigation Systems Developers**
- **Maintenance, Repair, and Overhaul (MRO) Providers**
- **Regulatory and Compliance Organizations**
- **Helicopter Manufacturers and Service Providers**
- **Urban Air Mobility (UAM) System Integrators**
- **Unmanned Aerial Vehicle (UAV) / Drone Manufacturers**
- **Advanced Air Mobility (AAM) Solution Providers**
- **Military and Defense Equipment Suppliers**
- **Infrastructure and Ground Support Companies**
- **Automated Vehicle Applications**
- **Imaging Vision and Camera Systems**
- **Propellers, Propulsion, and Transmissions**
- **UAV/UGV/USV/UUV Systems**
- **Robotics and Artificial Intelligence**
- **GPS and Remote Sensing**
- **Training and Certification Providers**
- **UAV Software Developers**
- **Propulsion and Component Suppliers**
- **Helipad Operators and Developers**
- **Vertiport Operators**

WHY SHOULD YOU EXHIBIT

The Middle East and North Africa (MENA) region is rapidly embracing VTOL technologies, creating significant growth opportunities for businesses.

REACH A TARGETED AUDIENCE

Connect with state delegates, trade visitors, and key decision-makers from the MENA region's commercial, civil, and security sectors.

SHOWCASE INNOVATIONS

Highlight your products and solutions to a global audience in the Middle East focused on technological advancements.

NETWORKING OPPORTUNITIES

Forge valuable partnerships with government representatives, potential customers, and industry peers.

BRAND VISIBILITY

Gain **unparalleled exposure** by participating in a high-profile event supported by leading media outlets and marketing efforts.

CORE VISITORS SEGMENT

WHY PEOPLE SHOULD VISIT

We aim to attract aviation industry professionals while providing our exhibitors with unparalleled opportunities to connect, grow, and achieve success.

DISCOVER INNOVATIONS

Explore the latest advancements in vertical aviation, unmanned systems, and urban air mobility solutions.

ENGAGE WITH EXPERTS

Connect with pioneers, thought leaders, and innovators driving technological progress and future transformations.

NETWORKING OPPORTUNITIES

Build valuable relationships with global and regional stakeholders, including decision-makers, investors, and key influencers.

KNOWLEDGE SHARING

Attend insightful conference presentations, panels discussions that inspire innovation in the industry.
