

WELLINGTON BARN

WEDDINGS : CEREMONIES : CELEBRATIONS

“ I honestly cannot imagine why anyone would consider getting married anywhere else. The staff at Wellington Barn were faultless ”

Welcome & History

'THE START OF YOUR FOREVER'

Your Wedding Day, Your Way.

Wellington Barn nestled in the middle of an Area of Outstanding Natural Beauty will be exclusively yours. Here, you can add your finishing touches, say 'I DO', feast, celebrate, and stay — all in one place.

We are renowned for being flexible and accommodating, we work with you to create Your perfect day to build those lifelong memories.

The Maundrell Family have been living and working on the Manor Farm estate for over 400 years and the 5th, 6th & 7th generations of the family still live in the village and are actively involved in the business. We'd love you to come and add your chapter to our story.

Preparation

'IT'S ALL IN THE DETAIL & THE PREPARATION'

From first thing in the morning whether it's the Bridal Party or Goomsman's Gang, you can gather in our Prep Barn whilst getting ready for the day ahead. This is the perfect space for hair, make up and getting dressed into your finery!

On the day, our amazing award winning event team will be there, to help with your finishing touches, hold your hand and keep you calm before you walk down that aisle right through until you're danced off your feet.

“We booked Wellington Barn because it had everything we needed under one roof.”

“Every member of the team we spoke to came across as genuinely excited and happy for us”

Ceremonies

With the entire venue to yourselves, wherever you decide to finally say 'I Do' is totally up to you.

You have the choice of our authentic 300 year old oak beamed Old Barn brimming with genuine rustic charm, the Yard Barn beneath the hessian sails, outside under our beautifully hand crafted oak gazebo hidden amongst the beautiful Beech and Chestnut trees, or why not a wedding amongst the wild flowers in our unique and stunning wild flower meadow with the rolling Downs as your backdrop?

The Old Barn can seat up to 120 guests, The Yard Barn up to 150 guests, anywhere outside.....up to you, the more the merrier!

There is also the option of Calstone's very own quintessentially English village church, St. Mary's, just ½ mile from Wellington Barn.

“ It really felt like Wellington Barn was just for us, and we really couldn't have imagined anything better ”

“The location was perfect for all of our guests and it’s just a lovely venue”

Surroundings

'TIMELESS IMAGES IN A TRULY SPECTACULAR LANDSCAPE'

At Wellington Barn, there are endless spaces to capture fabulous photos and film of Your Day that will have a wonderfully ageless feel to them, whatever time of the year you choose.

Consideration to our environment is paramount to our business. We plant a tree for every wedding we host. The hedgerows and huge wild flower meadow is carefully managed to ensure they continually regenerate, look more beautiful and attract greater numbers and species of wildlife every year. Our solar panels help to power the Barn, we source as much of the produce as locally as possible, supporting our fellow farmers and we even have our very own spring water supply.

In addition we have a number of decorative items to hire should you wish to reuse and recycle rather than buy new.

Partytime

'IT'S PARTYTIME'

Before you know it you'll be twirling and whirling around the dance floor in the Old Barn.

It's the perfect space for that all important first and last dance of the day.

Plenty of room for your DJ or Band to set up without you even being aware of it, right next to the bar and importantly with no need to move anyone's tables and chairs away.

This space is strictly for dancing!

“The staff were amazing and had everything under control, no one had to stress about anything”

“From day one of first visiting the venue to the big day, the staff couldn’t go far enough to make everything perfect!”
