

Put Your Platform to the Test!

Check the box if your current evaluation system delivers each feature consistently for every school, evaluator, and staff group. Award 4 points per check and total your score:

- 90–100: Leading the class—fine-tune for excellence.
- 70–89: Solid effort—target the gaps for quick wins.
- Below 70: Time for new strategies—and better tools.

Configuration & Ease of Use

- Single sign-on (SSO) and automated rostering sync with your district provider
- One-screen navigation for all evaluation tasks
- Role-specific rubrics for every employee group—certified and classified
- Custom forms, timelines, and checklists that match your cycles
- Built-in scheduler, calendar, and smart reminders (no manual invites)
- Summer rollover that auto-assigns staff and updates forms with ease
- Live dashboard that flags overdue tasks district-wide
- District/school/organization-level configuration for your setup

Observation & Growth Workflows

- Guided pre- and post-observation conferences
- Formal, informal, and walk-through observations—all in one place
- Rapid scripting with time-stamped indicator tagging
- Secure artifact & evidence uploads (docs, video, audio)
- Self-assessment, goal setting, and reflection tools for staff
- Automatic formative & summative score calculations
- Professional development delivery, assignment, and tracking
- Access to state-licensed frameworks (Danielson, 5D+, Thoughtful Classroom, McREL, etc.)

Analytics & Compliance

- Inter-rater reliability reports & calibration tools
- Heatmaps and multi-year trend analysis at teacher, campus, and district levels
- One-click state-report downloads (where required)
- Survey module for culture, mentoring, or 360° feedback
- Historical data archive with multi-year filtering

Collaboration & Support

- Peer-mentor / coach access that's non-evaluative
- Secure guest evaluator links for externals (e.g., student-teaching supervisors)
- Dedicated customer-success team with sub-24-hour response times
- District-specific implementation plan & ongoing, customized training

Score Your System

$$\frac{\text{\# of checks}}{\text{\# of checks}} \times 4 = \frac{\text{Total Score}}{\text{Total Score}}$$
