Introducing Peer Mentor Access

Built for Coaching, Not Compliance

Peer Mentor Access in Evaluation™ gives your educators space to grow—without crossing evaluation boundaries.

Allow mentors to support peer learning through a district-configurable access model that safeguards privacy while enabling authentic coaching conversations.

Coaching with Confidence

- View goals and self-reflections only
- No ratings or evaluations
- Keep conversations growth-centered

Trust-Driven Design

- Private, non-punitive interaction
- Encourage honest dialogue
- Respect teacher comfort zones

Built for Flexibility

- Assign mentees directly to mentors
- Customize access by role or caseload
- Supports any coaching or PD model
