ORGANIC ADVICE CONTEST

Celebrating Innovation in
Organic Advisory Services

DISCOVER THE WINNERS:

organicadvicenetwork.eu

The Horizon Europe project OrganicAdviceNetwork is proud to announce the **two winners of the Innovative Organic Advice Contest**. The award **recognizes** outstanding **advisory services that drive innovation, sustainability, and collaboration** in Europe's organic sector. Recipients were selected out of more than **40 submissions in two jury rounds**.

WHO PARTICIPATED?

Advisory services that demonstrated:

Unique business concepts

Innovative financing models

New advisory methods

Creative educational activities and more

ARE YOU INVOLVED OR INTERESTED IN ORGANIC FARM ADVISORY?

**OUR MISSION IS TO MAP THE DIVERSITY
OF ORGANIC ADVISORY SERVICES ACROSS EUROPE**

We are asking all advisory services and
non-affiliated advisors to **answer our survey**.

**By doing so, you will gain visibility and help us creating a strong
European network of organic advisors and advisory services!**

JOIN THE NEW EXCHANGE AND LEARNING PLATFORM ORGANICADVICENETWORK.SPACE

WHAT CAN YOU EXPECT FROM THE PLATFORM?

Advisors from all over Europe, new comers, students and everyone else interested in organic farming advice are invited to join the new online exchange and learning space of the OrganicAdviceNetwork project.

DISCOVER OUR CROSS VISIT CATALOGUE:

- Cross Visit events, each focusing on one of five agricultural sectors: arable farming, ruminant husbandry, vegetables, fruit, and viticulture.
- These 2- to 3-day cross-border exchange, held in various European countries, offer a unique chance for advisors from a same agricultural sector to get insights into innovative organic farming practices and to meet, exchange and learn from peers.

LEARN THE BASICS OF ORGANIC FARMING:

- In November 2025 the OrganicAdviceNetwork project will start its online Basic Course on the principles of organic farming.
- In 12 weekly live sessions, you will get the chance to build up your basic knowledge of organic farming.
- Experts will give you insights into the legal context of organic agriculture, soil, fertility and nutrient management, system approaches like biodiversity management and agroforestry and much more.

SAVE THE DATE FOR THE BASIC COURSE COMING NOVEMBER 2025!
