

ORGANIC ADVICE CONTEST

SPOTLIGHTING INNOVATIVE ADVISORY SERVICES

Learn about new advisory methods, creative educational activities and business concepts

Discover the winners

Solidarity Farming Network: With a team of 24 expert advisors, the community supported agriculture network offers guidance that spans from agricultural and business consulting, legal and organizational advice to social process facilitation.

GIEE for Organic Low-Carbon Milk: A shining example of climate-conscious innovation in dairy farming. Supporting a group of farmers in Normandy, this initiative helps implement practical solutions that reduce greenhouse gas emissions while enhancing farm resilience.
