## How Hey Jane provides virtual abortion care

# HeyJane

### Step 1

#### Complete intake online—available 24/7

Our process asks about medical history and pregnancy to ensure safe, effective care. At checkout, you can pay with or without insurance.

### Step 2

#### Connect with a provider virtually

A Hey Jane provider will review your chart and follow up in 1 business day via secure chat, phone call, or video appointment.

### Step 3

#### Medication is shipped or filled locally, ASAP

Our treatment kit comes in unmarked packaging for privacy. Includes abortion, pain, and nausea meds. Note that some insurance plans require local pharmacy pickup.

### Step 4

#### Ongoing support and follow-up care

You can contact your care team via secure chat in the patient portal, or by calling our 24/7 nursing phone line.

Now serving patients in AZ, CA, CO, CT, DE, DC, HI, IL, ME, MD, MA, MI, MN, NV, NH, NJ, NM, NY, OH, OR, RI, VT, VA, or WA (residency not required)
