Keeping it Playful in 20 Classes!

Using our time-tested “Gracie Games”, we’re able to teach the Little Champs a series of basic self-defence techniques while instilling the foundational principles of leverage and control.

Character Development The Gracie Way!

Our goal is to develop your child’s character to ensure success in all aspects of life. There are 6 chapters in the Gracie Character Development Program: Responsibility, Health, Respect, Citizenship, Manners, and Caring. We spend two months on each chapter, and during each class we dedicate a few minutes to discussing the featured character trait and the simple things your child can do to make it a part of their everyday lives!

Log-on & Boost Progress!

Once your child is enrolled in the *Little Champs* program, you qualify for a free subscription to GracieUniversity.com. Our interactive online learning platform for Gracie BullyProof. With comprehensive videos covering every technique your child learns in class, you and your child can use your online access to review past lessons and learn new techniques – from your computer or mobile device right from home! If you have trouble accessing your lessons online, please speak to a Tri-Cities Gracie Jiu-Jitsu Community Coordinator for help.

Junior Grapplers Qualification Requirements

Once your child has earned all 6 character development badges and demonstrated their ability to perfecting all the Gracie Games in every possible combination, they will be eligible for entry into our Junior Grapplers program.
