Structured Curriculum!

Beyond the Gracie Combatives Belt, Gracie Jiu-Jitsu consists of hundreds of advanced techniques organized into a clearly defined, systematic curriculum called the Master Cycle. This is our advanced program for experienced co-ed students seeking to deepen their understanding of ‘the gentle art’. Master Cycle’s unique structure simplifies the journey from Blue to Black Belt by organizing all of Brazilian Jiu-Jitsu (BJJ) into seven positional chapters (Mount, Side Mount, Guard, Half Guard, Back Mount, Leg Locks, Standing), each of which is studied for several months before moving on to the next chapter.

Focus Sparring!

Towards the end of each class, you will have a chance to test your skills against a variety of training partners in a variety of controlled training exercises, such as: Rapid Mastery Drills, Focus Sparring Exercises, and Fight Simulation Drills. Safety is the primary concern during these sparring exercises, and any students who do not train in a safe and productive manner will not be allowed to participate. Sparring is 100% voluntary for Master Cycle students.
