

COMPREHENSIVE COURSES OF SURGICAL ANATOMY AND OPEN VASCULAR SURGERY TECHNIQUES

Course I - Access to arteries of the lower extremities

Berne, April 27 – April 28, 2026

Jürg Schmidli

Corinne Kohler

Pascal Kissling

Welcome

Dear Colleagues,

on behalf of the faculty and organisers, it is a great privilege and honour to warmly welcome you to the comprehensive basic and advanced courses on vascular surgical anatomy and open surgical techniques. These courses, unique in the world, have proven over the last decades to be very effective training methods for vascular surgeons.

The main feature is the intensive supervision by multilingual tutors with a lot of experience in vascular surgery and in training. The close tutor-participant interaction guarantees an intensive learning process.

Intensive discussions are encouraged in a relaxed training atmosphere. There is only a limited number of slots available, so please register early!

Join us for an enriching learning experience. We hope that you will be enthusiastic about the Courses 2026 as we are and look forward meeting you there!

For the executive board of VASCULAR INTERNATIONAL and the faculty

Prof. Jürg Schmidli, Berne
Dr. Corinne Kohler, Zurich
Dr. Pascal Kissling, Solothurn

The comprehensive basic and advanced courses on vascular surgical anatomy and open surgical techniques will be organised for the 26th time by the VASCULAR INTERNATIONAL School. Back then, we started with the access to leg arteries course, followed by the Vascular Access Masterclass in 2009 (for haemodialysis access). In 2017, we finally introduced the course on the thoracic and thoracoabdominal aorta and the supra-aortic vessels.

The school's goals are teaching of topographical and surgical anatomy, surgical basic practices, advanced open surgical techniques and innovations.

The courses are based on practical dissection of 5-7 cadavers (legs, arms, thoracic aorta and supra-aortic arteries) under the guidance of expert tutors.

The arm and leg courses are particularly recommended for Vascular Surgeons in training. The thoracic course is designated for Advanced Vascular and Cardiac Surgeons.

- The official language is English.
- The number of participants is limited for technical reasons.
- **Please, take your magnifying glasses with you.**

ACCESS COURSES 2026 / Fee / Convenor

Course I April 27-28 Access to arteries of the lower extremities

Fee: CHF 1'450 (13 CME Credits)

The fees include:

- Coffee-breaks and lunch
- Disposable and didactic materials

Convenor: Pascal Kissling, Solothurn

April 27-28, 2026
Course I - Access to arteries of the lower extremities

Tutors: **Nektarios Galanis (Athens)**
 Georg Heller (Chur)
 Hon lai Chan (Fribourg)

Important: Take your magnifying glasses with you.

Program:

Monday, April 27, 2026

09.00 – 18.00

	Registration, welcome and introduction to the course
	Topographic anatomy leg arteries (short lecture)
Workshop 1	Access popliteal artery pars I und III
Workshop 2	Access to tibiofibular trunk
	Break
Workshop 3	Access to proximal, middle and distal anterior tibial artery
Workshop 4	Access to dorsalis pedis artery
	Lunch
Workshop 5	Access to proximal, middle and distal posterior tibial artery
Workshop 6	Access to peroneal artery; medial and lateral approach
	Break
Workshop 7	Access to pedal and plantar arteries
Workshop 8	Posterior access to popliteal artery at the popliteal fossa

Tuesday, April 28, 2026

08.30 – 15.30

- | | |
|-------------|--|
| Workshop 9 | Groin access, course of the femoral bifurcation and deep femoral artery, femoral nerve |
| Workshop 10 | Lumbotomy and access to iliac arteries |
| | Break |
| Workshop 11 | Alternatives in bypass-surgery, tunneling, bypass procedure above knee |
| | Lunch |
| Workshop 12 | Bypass procedure below knee, great saphenous vein, small saphenous vein, principles of in-situ bypass, clamping variations of below-the-knee arteries, distal anastomoses, popliteal interpositions. |
| | Feedback session and farewell |

Requirements by EthicalMedtech:

- The Programme is included in this document
- There is no live music or any other form of entertainment foreseen at any point of the programme
- The participant's fee covers the expenses for:
 - the course organisation (administration for registering, IT Support, Insurance, etc.)
 - the tutors travel expenses (there are no proctoring fees paid)
 - the rent for the course venue
 - the material used during the course
 - rent of hands-on models, medical instruments, operating tables
 - rent of didactic infrastructure (operating table, audio/video equipment)
 - cost for consumables, cadavers, gloves, needles, instruction manual, etc.
 - the day catering including:
 - croissant with coffee in the morning to start
 - water, coffee and fruits during breaks
 - sandwiches for lunch
- The participant's fee does NOT cover:
 - Any full meals
 - Expense for overnight stay
 - Any travel expenses
- There is no hospitality and social programme included in the fees for participants.

REGISTRATION AND PAYMENT

Online: www.vascular-international.org

You have to register for each of the courses separately. If you attend more than one course a reduction applies (10% for two courses, 15% for three courses).

Your registration will be confirmed by email with an invoice attached. By registering online, you will have the opportunity for immediate payment via PayPal (=all major credit cards), and immediate course confirmation. Please click the PayPal-button at the end after booking.

If you prefer to pay by invoice, please transfer the payment within 10 days, otherwise the provisional reserved space is released.

Bank: Credit Suisse, CH-6301 Zug
BIC/Swift: CRESCHZZ80A
IBAN: CH17 0483 5176 1211 7100 0
Account holder: Vascular International School AG, Kerns

Registrations will be confirmed by email upon arrival of the payment (first come first served).

Cancellation: Replacements will be accepted, please communicate immediately.

Annulation costs: CHF 100.- until April 13, 2026, no reimbursement for later cancellations.
