

TPSO Investigating Stolen Tractor

AMITE (July 2, 2026)- The Tangipahoa Parish Sheriff's Office (TPSO) needs your help locating a tractor stolen from the Amite area and identifying a person of interest in the case.

Back in May, the owner of property in the 21000 block of Austin Brumfield Road discovered his tractor and trail camera had been stolen. The tractor was a red, model 3016 GD Mahindra with a front loader bucket and bushhog attachments.

Through the investigation, detectives were able to recover video from the property during the timeframe the tractor was believed to have been stolen which shows an unidentified man walking near the tractor. The investigation has determined that while this individual is not known by name, he is known to frequent this area with several dogs who were also seen in the surveillance video.

Sheriff Gerald Sticker encourages anyone who has seen this tractor or who may know who this individual is to contact the Criminal Investigations Division at 985-549-4734.
