

TPSO Searching for Suspect Vehicle

SPRING CREEK (August 27, 2026)- The Tangipahoa Parish Sheriff's Office (TPSO) is investigating a case involving a woman severely injured when an object was thrown through the windshield of her vehicle.

In the late evening hours of August 16, a semi-truck driver traveling on Highway 1054 near Forbes Road in the Spring Creek area experienced her windshield suddenly break, shattering portions into the passenger compartment. Glass from the break severely injured one of her eyes which she continues to receive medical treatment for today.

The investigation revealed that an occupant of a red, four-door sedan with chrome rims, passing the semi-truck in the opposite direction, threw an object at the windshield, causing the break. Dash camera video in the semi-truck captured the incident and the suspect vehicle.

The TPSO is asking anyone with information about this vehicle, or this incident, to contact the Criminal Investigations Division at 985-902-2088.
