

Intellectual Property & Trademarks Notice

Version as of February 10, 2026

URBI Gulf FZ-LLC ("URBI") is the owner of software products, geospatial data, analytics modules, visualizations, databases, documentation, interfaces, and other intellectual property made available on the URBI website and used within URBI platforms, services, and projects.

This page sets out the rules governing the use of URBI trademarks and intellectual property.

URBI Trademarks

The following designations constitute trademarks, service marks, or protected designations of URBI:

- the name URBI;
- the URBI logo;
- names of URBI products, platforms, modules, and services;
- any other branding elements used by URBI in connection with its technologies and services.

Other names appearing on the website may be trademarks of their respective owners.

Use of any URBI trademarks is permitted only with the prior written consent of URBI, except where expressly permitted by applicable law.

URBI Intellectual Property

All materials made available on the URBI website, including but not limited to:

- software code;
- cartographic and geospatial data;
- visualizations and interfaces;
- analytical materials;
- texts, diagrams, and documentation;
- demonstration examples;
- APIs and technical components,

constitute the intellectual property of URBI or are lawfully used by URBI.

Nothing on this website shall be interpreted as granting any license, right of use, or other permission in respect of such materials, except where expressly provided for under a separate written agreement with URBI.

Prohibited Use

Without the prior written consent of URBI, the following actions are strictly prohibited:

- copying, reproducing, or distributing website materials for commercial purposes;
- using URBI trademarks in advertising, presentations, websites, domain names, or applications;
- creating derivative materials based on URBI content;
- using URBI maps, data, screenshots, or interfaces outside agreed purposes;
- any use that may create the impression of affiliation with, partnership with, or endorsement by URBI.

Permitted Use

The following is permitted, unless otherwise restricted or prohibited by a separate agreement with URBI:

- referencing URBI as a solution provider within the context of actual cooperation;
- using the names of URBI products in a purely descriptive manner;
- placing a hyperlink to the URBI website without using URBI logos or brand elements.

Any other use requires prior written approval from URBI.

Permission Requests

Requests to use URBI trademarks, logos, materials, screenshots, data, or any other intellectual property shall be submitted to: **info@urbi.ae**

URBI reserves the right to refuse such requests at its sole discretion without providing reasons.

Relationship with Agreements

The use of URBI intellectual property within the framework of projects, licenses, integrations, APIs, data access, or services is governed exclusively by separate written agreements between URBI and the relevant counterparty.

This page does not grant any rights to use URBI intellectual property.
