

MIBA

Born for fairs

COMPANY
PROFILE

MIBA

32

let na trhu

Zabýváme se návrhy, komplexní realizací
a zajištěním **veletržních expozic**
po celé Evropě.

MIBA

278

specialistů ve svém oboru

Náš **silný výrobní tým** se skládá
z designérů, projektových manažerů,
konstruktérů, truhlářů, stavbyvedoucích
a výstavních montérů.

MIBA

The background image shows a large industrial factory space. In the foreground, a worker wearing a black t-shirt with 'Born for interior' on the back and large headphones is handling a large blue panel. Another worker is visible further back, also handling a similar panel. The factory has high ceilings with industrial lighting and various pipes and machinery visible in the background.

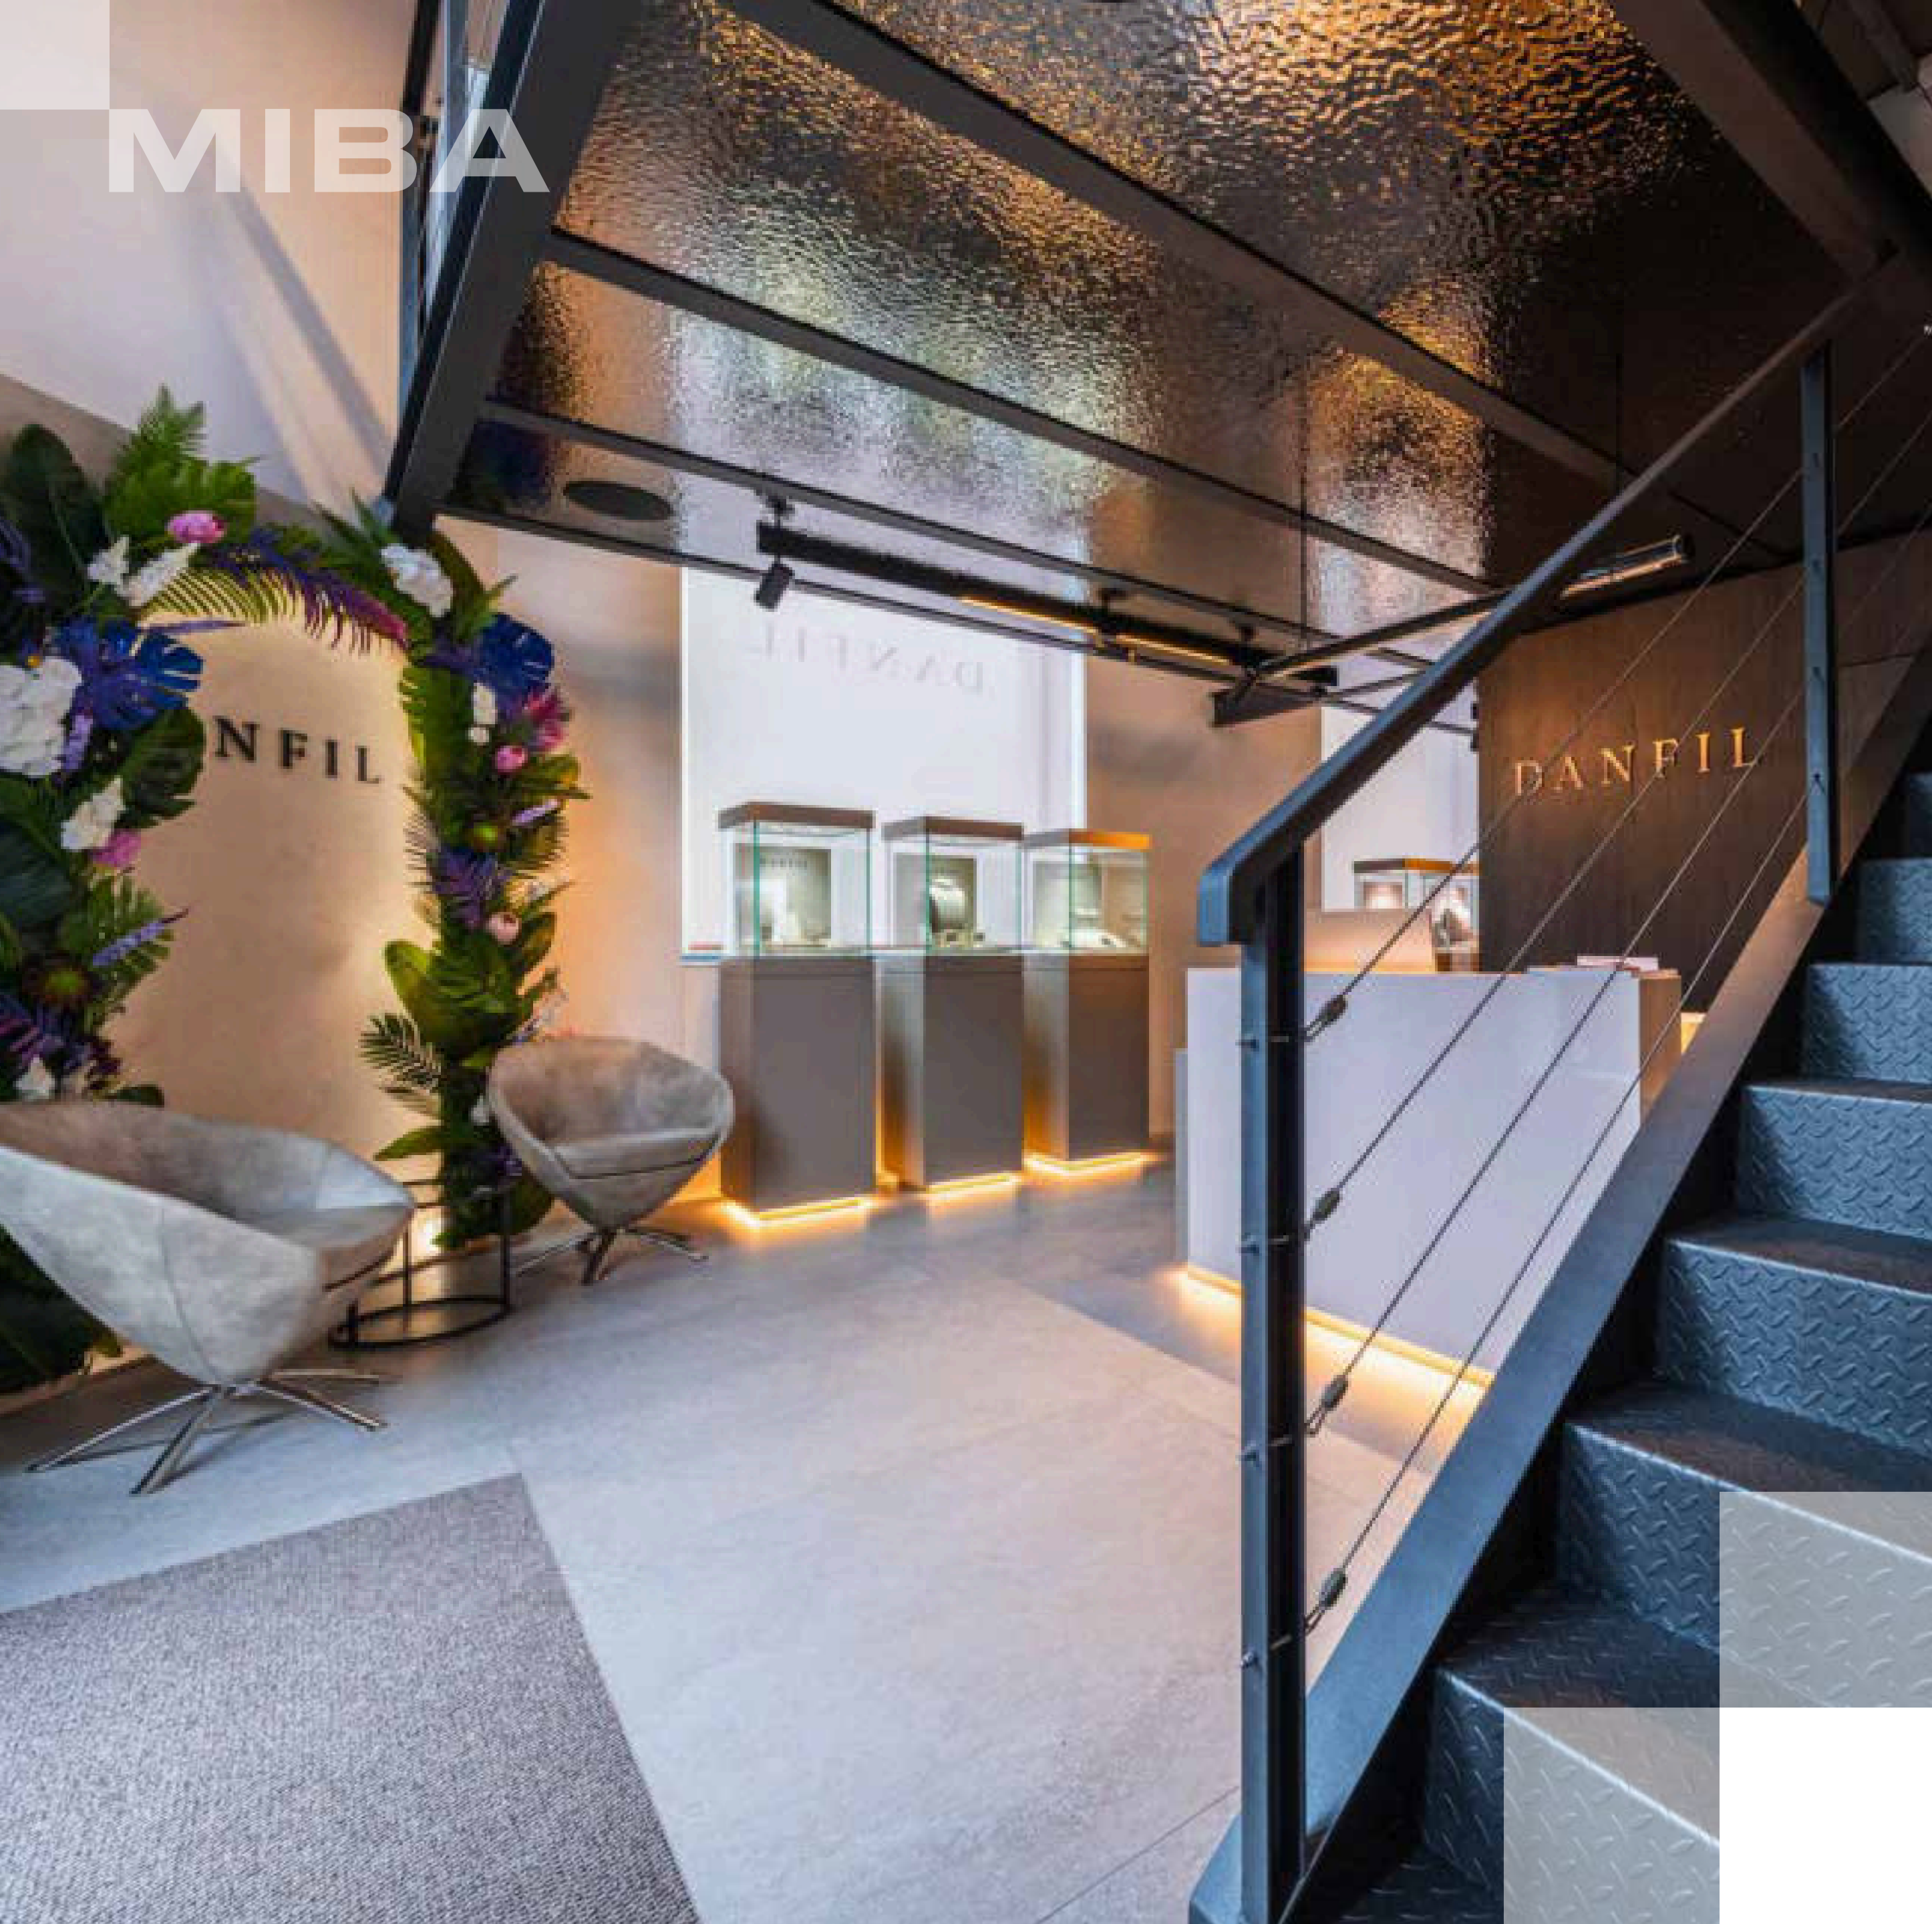

300+

projektů / rok

5000+

realizovaných
expozic

Máme za sebou více než **5000 úspěšně realizovaných expozic** a průměrně dokončíme **více než 300 projektů za rok.**

MIBA

50+

interiérů zakázkové výroby

Realizujeme rozmanité požadavky
v mnoha oblastech. Během minulého roku
jsme **dokončili** více než **50 projektů**
v oblasti zakázkové interiérové výroby.

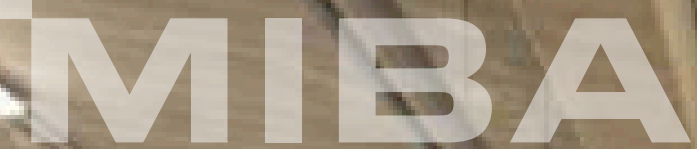

MIBA

5000

m² výrobní plochy

Disponujeme **vlastní truhlářskou výrobou**
a kovovýrobou, máme moderní **strojní**
a technologické zázemí.

MIBA

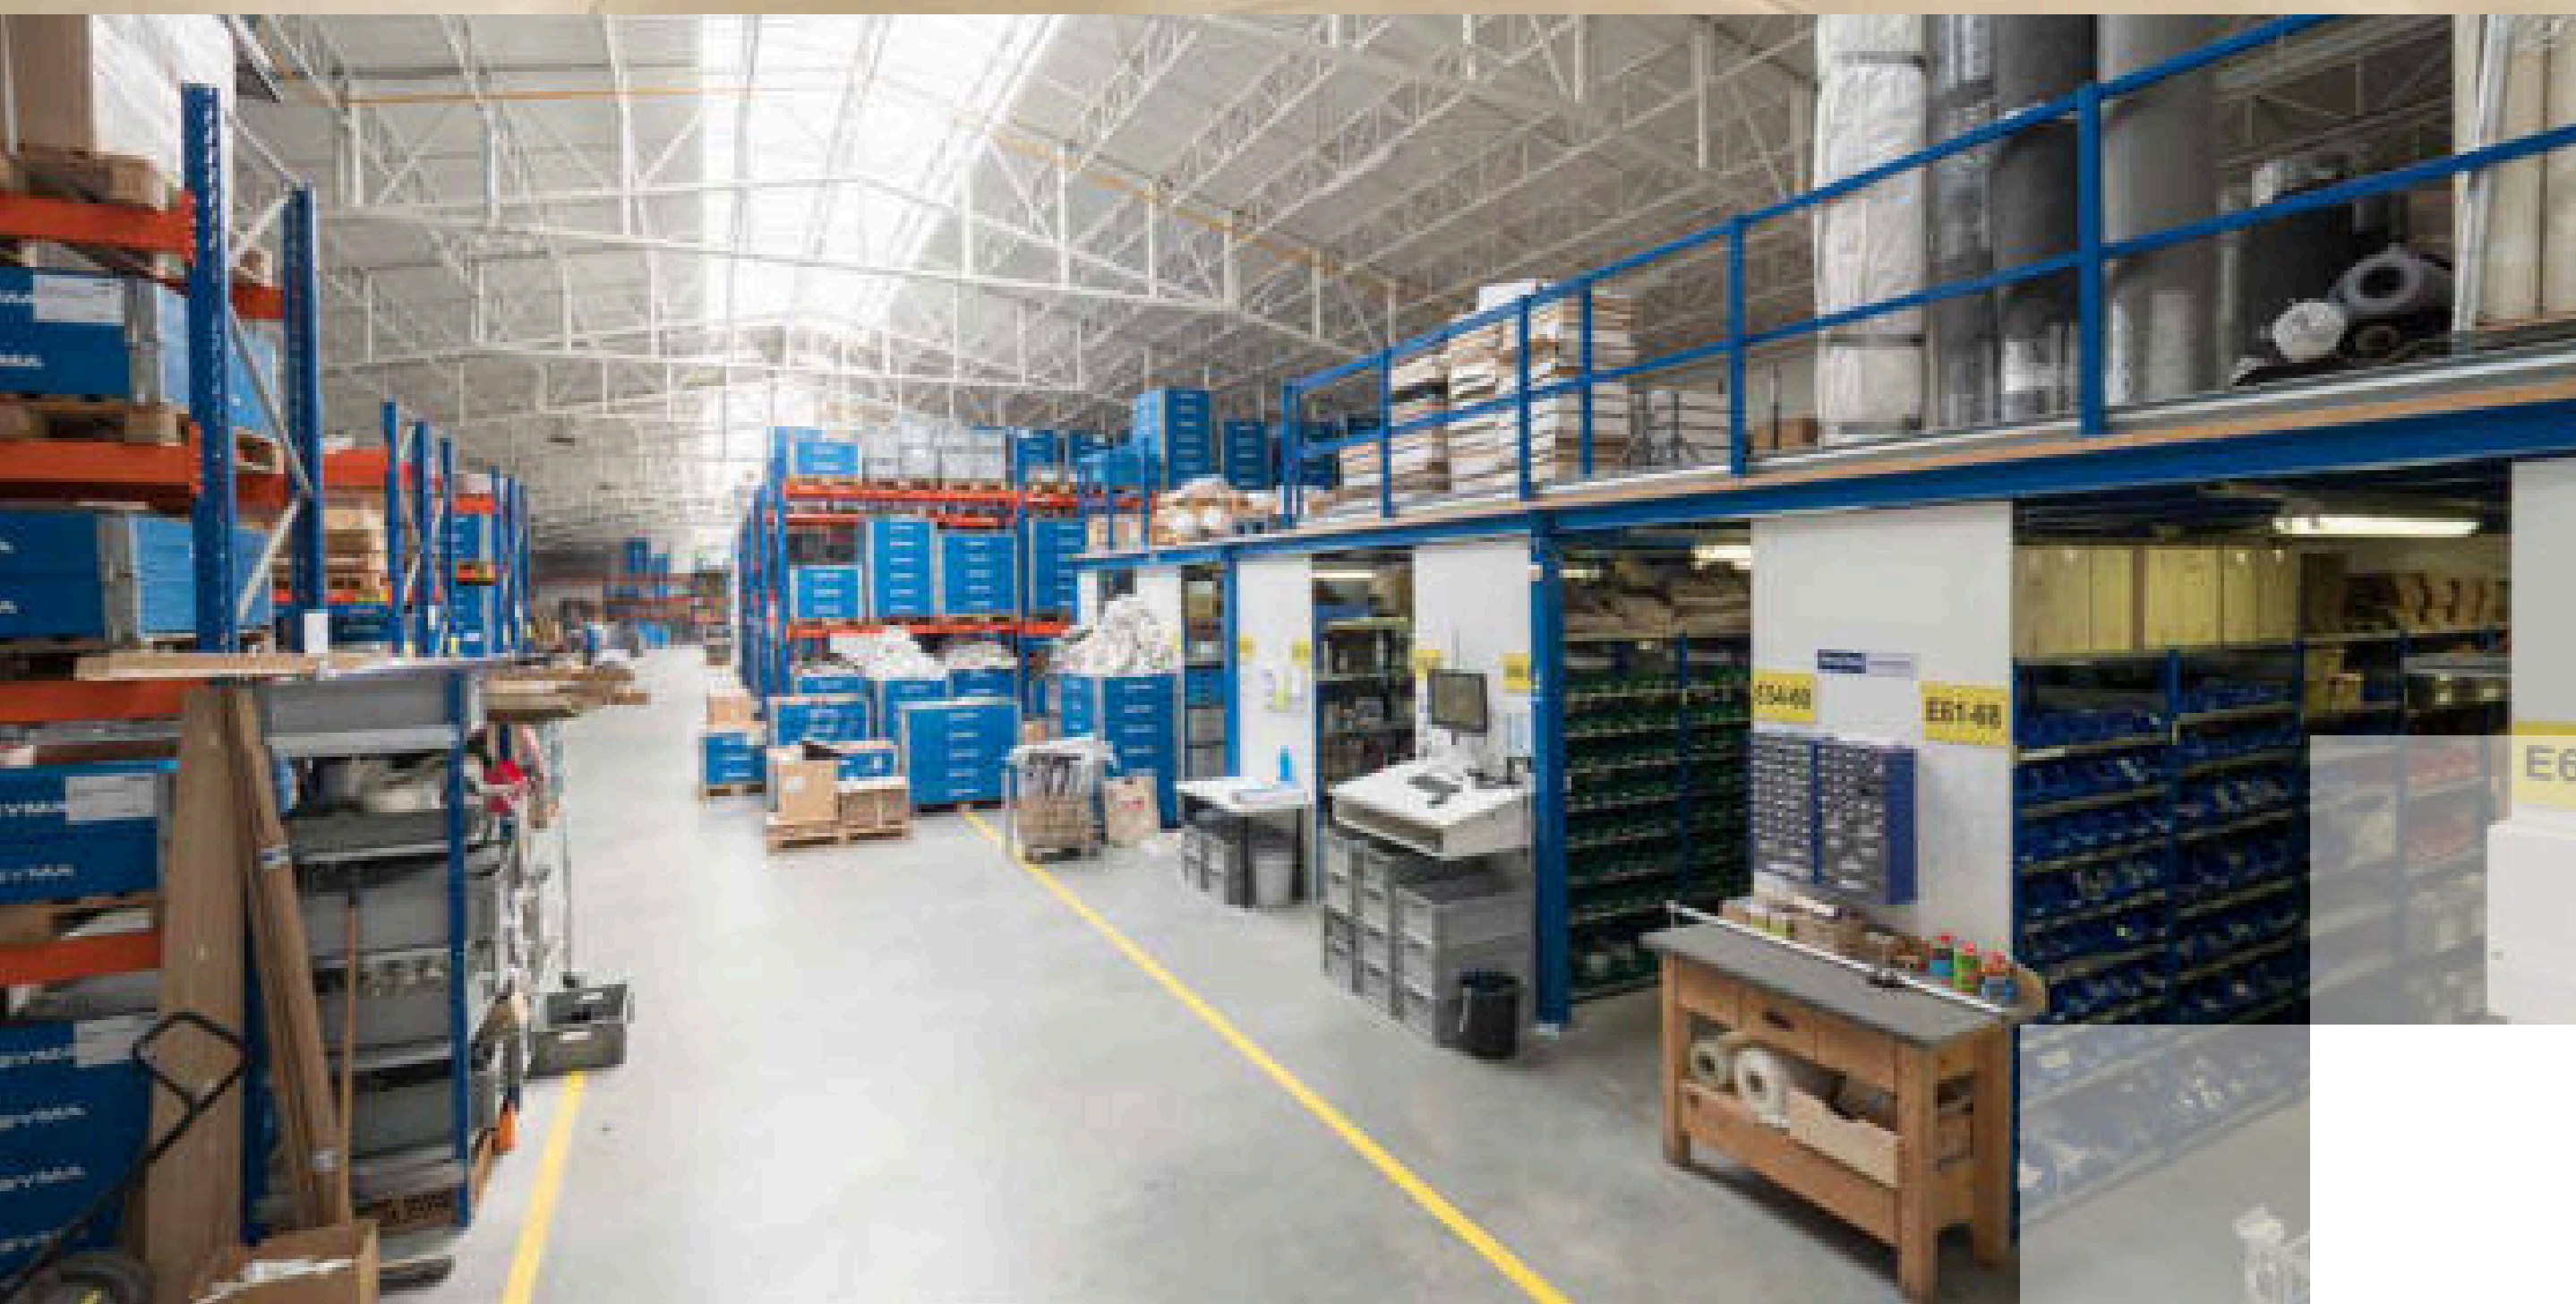

8 000

m² skladovací plochy

16 000

skladových položek

Klademe velký důraz na udržitelnost,
naše expozice jsou z velké části
navrhovány a stavěny z **komponentů**
z **půjčovního skladu**.

The image features a large, close-up view of a solar panel array, showing the grid lines and the blue surface of the panels. The panels are angled towards the top right, where a clear blue sky with a few wispy clouds is visible. In the top left corner, the word "MIBA" is written in a bold, white, sans-serif font. The overall composition is clean and modern, emphasizing renewable energy.

MIBA

400+

kWh instalovaný
výkon

Roční produkce více než **400 MWh z našich fotovoltaických elektráren** převyšuje spotřebu energie potřebnou pro všechny naše provozy.

Co-rotating Twin-Screw Extruders

- Optimised for high-performance cast film and sheet extrusion lines
- Ensuring highest film quality
- Energy-efficient at high output
- Swivel-mounted barrel design
- Compact size
- Clever design for easy maintenance
- Productivity-enhancing
- Screw diameters from 60 to 90 mm

SOLUTIONS FOR THE PRECAST CONCRETE INDUSTRY

100 YEARS OF VOLLEKT

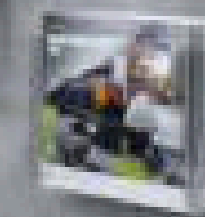

For 100 years, we have been working on the future of
and we look forward to the future. Together with our customers we are
finding new ways to drive technological progress forward - innovative
solutions and first-class engineering. We are proud to be a part of
your success, actively shaping the future and helping you to
reach it. Our understanding of engineering is our strength.
