Crewed Charter

The crew on board, consisting of experienced skippers and friendly hosts or a chef, makes every charter week truly special by ensuring both safety and comfort. The skippers handle sailing and navigation, taking care of safety while guiding the yacht and showing guests the most beautiful places to visit, while the hosts focus on creating a warm and welcoming atmosphere by organizing the onboard experience, preparing meals, and taking care of guests' needs. For those who wish, a full culinary experience with three daily meals is available when booking a chef on board, allowing guests to fully relax and enjoy the journey to the fullest.

Why having a Crew is Important?

Charter crew make the charter safe, comfortable, and stress-free. With a professional crew, guests don't have to worry about handling the yacht or daily chores – they can simply relax, enjoy the destinations and Mediterranean cuisine and make the most of their time at sea.

Crew Day Rates

Skipper	250,00 €/ day +meals
Hostess	230,00 €/ day + meals
Chef	250,00 €/ day + meals

*Crew food is not included in this price.

Skipper rates apply only to the Lagoon 42, Lagoon 450 F, and Lagoon 46 models. Hostess and chef rates apply to all boats, including the Lagoon 51 and Bali 5.4.

The Process of Booking Your Crew

Before the trip, guests share who is coming on board and the type of holiday they want. Based on this, we match them with the perfect crew. Guests also fill out a preference sheet – the skipper uses it to plan routes according to their wishes and his local knowledge, while the hostess or cook uses food preferences and dietary needs to create a personalized menu and order provisions.
