

Get 24/7 Virtual Care With Galileo

Access care any time

We're available 24/7, even
on nights and weekends.

Avoid long travel times

Receive care by text,
phone, or video in
the Galileo app.

Same-day care

Receive a response within
minutes. No appointment
or scheduling needed.

What you can do on the Galileo app:

Get care for most conditions, from colds
and UTIs, to depression and diabetes

Refill prescriptions and request labs

Access 24/7 care navigation for support
with insurance, referrals, and more
