

Small Business Health Care

Pricing your small business can afford. Care your small team can trust.

Don't break the bank on health benefits. Galileo is a virtual doctor's office that provides 24/7 access to the same quality of care as traditional insurance — without the sky-high premiums or the time-consuming administration.

Save Money

Traditional insurance costs over \$600 per employee/month. Galileo is only \$19 per employee/month.

Save Time

Set up only takes 10 minutes — no tedious paperwork or cumbersome admin.

Reduce Sick Days

Our doctors are available 24/7, so your employees can find video visits that fit their schedule.

Simplify Benefits

Galileo treats every employee, full-time, part-time or temp, whether or not they have insurance.

Why employees love the Galileo app

- ✓ Convenient 24/7 virtual care
- ✓ No co-pays
- ✓ Care for almost any condition
- ✓ Fast prescription refills

4.6 average rating from 3,600+ reviews across Google Play, Trust Pilot, and the App Store
