

# Have a Women's Health Need?

Galileo can help with:

Birth control  
(including emergency  
contraception)

## Mammograms

Galileo doctors can let you know if and when you need one, plus give you a referral through the app (no in-person visit required).

Urinary tract infections  
(UTIs), yeast infections,  
and sexual transmitted  
infections (STIs).

Perimenopause and  
menopause symptoms

*And much more!*
