VALLEY GIRL

Tuck Shop

Bred by Archive Seed Bank, Valley Girl comes from a cross of SFV OG and Face Off OG.

What do we love about Valley Girl? First off, the flavour—it's that classic sweet gas profile we can't resist, with a hint of funky musk to keep things interesting. Plus, the bag appeal is on point: dense nugs covered in tons of frost that make it a real standout.

28g Whole Flower

7g Whole Flower

1x1g Pre-Roll

7x.5g Pre-Roll

14x.5g Pre-Roll
