

Garlic Mintz

Tuck Shop

Say hello to Garlic Mintz bred by Cabin Fever — the lovechild of GMO x Animal Mints that's equal parts pungent powerhouse and smooth smoke. These buds come dense, blanketed in thick, sparkling frost, with that unmistakable chem-garlic edge that hits the nose in an unforgettable way.

Strain: Garlic Mintz

Lineage: GMO x Animal Mints

Plant Type: Indica Dominant

Top terpenes: Trans-Caryophyllene,
Farnasene, Limonene

Aroma/Flavour: Diesel, Chem, Garlic

Potency: 26-32% THC

Available as:

7g Whole Flower

28g Whole Flower

5 x 0.5g Pre-Rolls

1g Pure Cured Resin AIO
