## What do Our Clients Think of Us?

Peter S. VP of Business Development at Uptrend

“

After the 2nd month, we scaled all of our client acquisition to C-Leads. In doing so, we increased our client retention and focused on what we do best – marketing. Highly recommend.

”

Austin K. CEO of Vault.ist

“

C-Leads resolved our key lead generation issues: insufficient calls and irrelevant clients. We now have triple the calls with a 97% relevance rate.

”

Evgeny F. CEO of One More Fund

“

After 3 months, we are now signing our biggest clients on a performance based model. C-Leads turned us into a serious competitor in the eyes of others.

”

## How We did it? We did it All

Identified targeted companies and respective prospects

Outreached to prospects on LinkedIn, Email, Telegram
