## A Message From the Editor

As we enter this short but sweet month, we're embracing all things warm and wonderful—from moments of connection to exciting new opportunities. Whether you're celebrating love, chasing dreams, or just staying cozy, February is the perfect time to recharge and refocus.

When I think of February, I'm reminded of a snowy afternoon from years ago. Walking home, looking forward to sipping on a mug of cocoa. It was a quiet moment, but it felt like time paused for me to reflect on what truly matters—love, kindness, and the joys of making life meaningful.

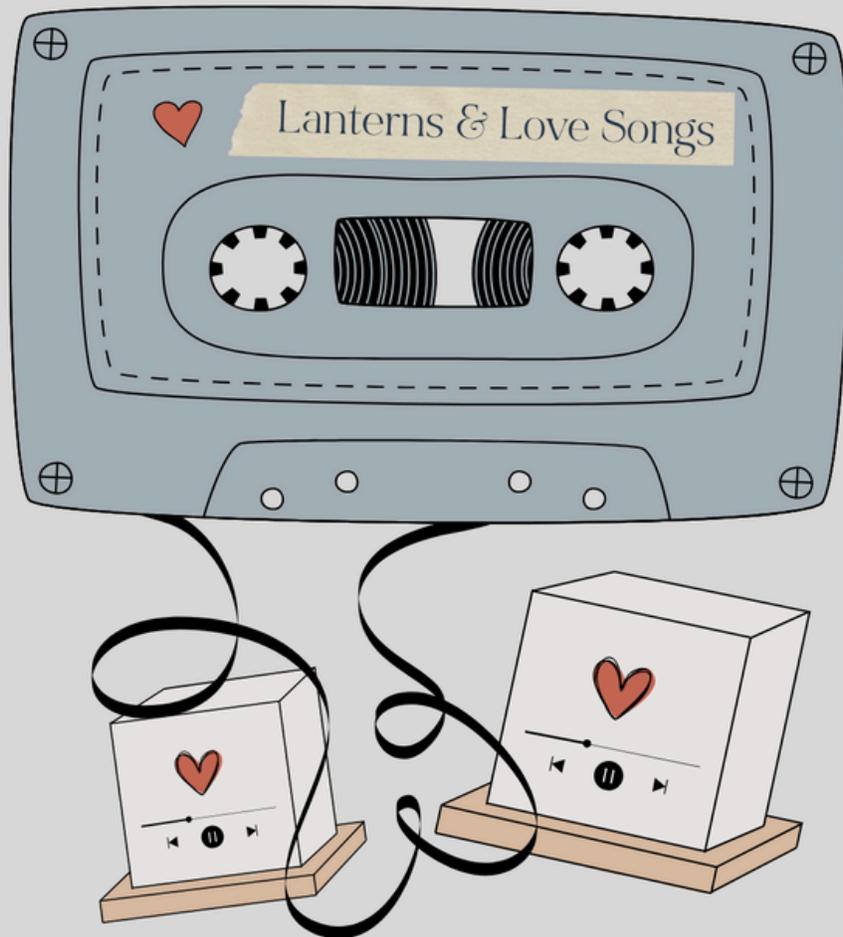

Between a shared smile, a handwritten note, or maybe a hug; these little actions can carry us through the cold days. In this month's *Glow*, we're sharing some exciting updates, stories, and inspiration to brighten your days and keep you moving forward. Thank you for being part of our journey, we are grateful for you!

Warm Wishes,

*Helen Blodgett*

# *LAUREN & DAKOTA*

"My name is Lauren, and I got engaged at one of your events! Our day started early in the morning, my boyfriend paid to have my hair and nails done. He's always been so sweet to me so doing that was no surprise. He bought me flowers and continued to show me love all day. When we made it to the festival, he was too nervous to eat anything but said he just 'wasn't hungry.' We found a cute stop to hang out and decorate our lanterns. I had no idea but a photographer had been snapping the best moments of us the whole time. Our lanterns had designs that were special to us, like our important dates from the last two and a half years. After placing our lanterns in the water, I saw him on one knee. We were both so excited, crying tears of joy, and of course, I said yes. My inner child was so happy as I lived out two dreams in one night. I'll cherish that moment forever."
