# A Letter From the Editor

Dear Lantern+ Community,  
Spring has officially arrived - longer days, blooming flowers, and the excitement of new beginnings! For the month of April, we use it as a time of renewal, celebration, and connection. As the nature awakens, so do our hearts, filled with joy and anticipation for the season that's ahead.

This month, Easter adds a touch of magic with traditions, colors, family gatherings, and moments of reflection. We've put together a special month, packed with ways to spark joy and creativity! First, enjoy a fresh Spotify playlist that's filled with uplifting tunes. Whether you're enjoying a peaceful sunny afternoon or continuing to cozy up by the fire, this mix will bring you good vibes. Secondly, we have added a special lantern story that shares an inspiring story from our past festival-goers. Finally, enjoy an exciting Easter egg hunt and create your perfect Water Lantern Festival!

As we look forward to this upcoming Water Lantern Festival season, we hope that this month's Glow, adds a little extra brightness to your month. Thank you for being part of our wonderful community.

Wishing you a joyful and inspiring April!

With gratitude,

*Helen Blodgett*
