THE GLOW

Reset And Renew

A Message From the Team

As we welcome a new year, we wanted to take a moment to thank you for stepping into it with us. January offers a chance to pause, reflect, and gently reset — to carry forward what matters most while making room for what's ahead. Whether this season finds you setting intentions, dreaming up new goals, or simply moving at a slower pace, we hope it brings you clarity, inspiration, and renewed hope.

We're so excited for what this year holds. From the moments we'll share together to the dreams still waiting to take shape, we're grateful to continue this journey with you. Thank you for being part of the Lantern+ family and for believing in the power of connection, creativity, and possibility. Here's to new beginnings, meaningful moments, and all the light still to come. We can't wait to see what we'll create together this year.

Warm Wishes,

Water Lantern Festival

LOOK BACK, BE PROUD

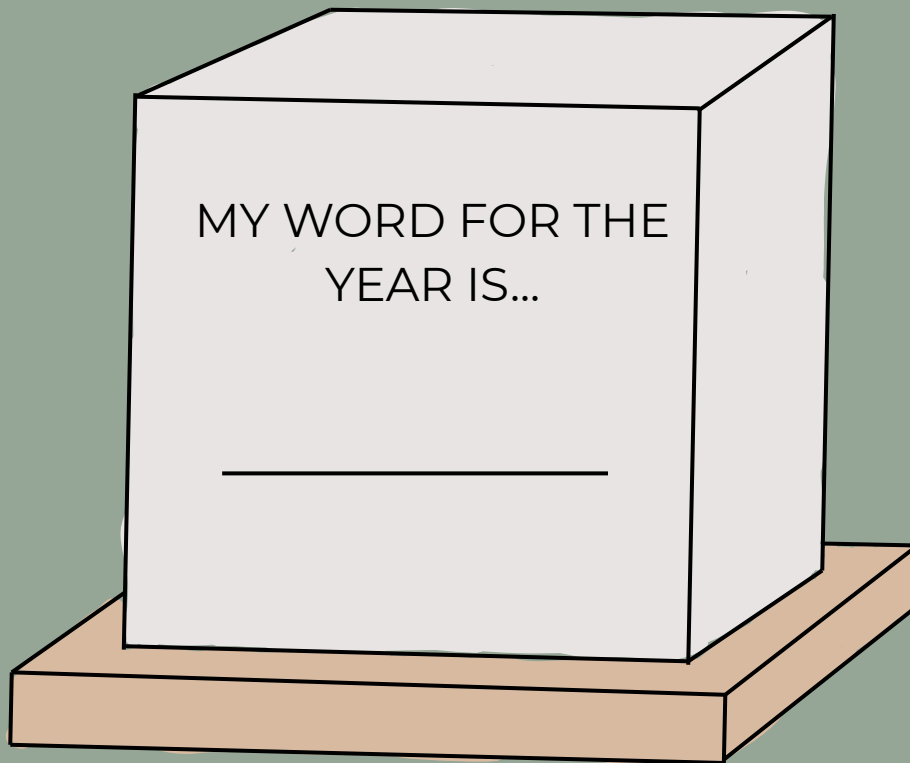

Before looking ahead, it's important to pause and look back. Taking time to reflect on what you've accomplished allows you to recognize your growth, honor the effort you've put in, and appreciate the moments that shaped you. Progress isn't always loud or obvious, but every step forward matters, and you deserve to feel proud of how far you've come.

Take a moment to reflect on the year behind you. There's no right or wrong answer here, just an opportunity to acknowledge what you've experienced, learned, and accomplished.

- One thing I'm proud of from last year is
- A moment that reminded me of my strength
- Something I accomplished that I don't always give myself credit for
- One way I grew, even if it was subtle
