LANTERN LAUNCH

Our lantern launch is subject to weather conditions which may impact the lanterns movement on the water.

DECORATE YOUR LANTERN

- Decorate your lantern with messages of empowerment, remembrance, and connection.
- Push the four rods into each corner of the lantern base and slide the paper sleeve over the rods.
- Place the LED candle in the center of the lantern.
- Listen for instructions and launch your lantern during the designated window.

SUSTAINABILITY

The Water Lantern Festival is committed to caring for our environment and protecting precious natural resources. Our lanterns are crafted from sustainable materials such as wood and biodegradable paper, ensuring they are biodegradable and eco-friendly.

After the event, our team carefully retrieves every lantern and removes any litter from the water and surrounding areas. We work hard to leave the Garden even better than we found it. We encourage all guests to join us in this effort by reducing waste, recycling where possible, and respecting the natural beauty of the Garden.
