

WATER LANTERN FESTIVAL

August 2026

THE GLOW

New Season Ahead

A Message From the Team

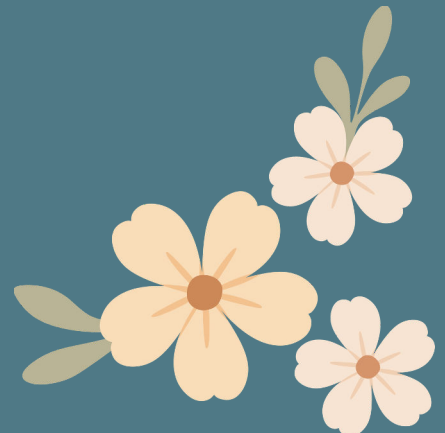

August brings a season of transition—a chance to soak in the last golden days of summer while looking ahead to what's next. As routines return, school begins, and fall draws closer, there's something refreshing about the opportunity to reset, refocus, and start again.

This month, we hope you'll take time to appreciate the memories summer has brought while making space for new ones ahead. Whether you're setting new goals, settling into a new routine, or simply spending time with the people you love, a new season is a reminder that every day offers a fresh start.

Here's to new beginnings, meaningful moments, and plenty of reasons to keep shining as we step into the season ahead.

Warm Wishes,

Water Lantern Festival

AUGUST EVENTS

CLEANING SUPPLIES TO RESTOCK:

MEET THE WLF TEAM

We Asked:

What's your favorite movie you could watch over and over?

Bryce Rasmussen

Assistant Event Producer

"I could watch Muppet Treasure Island exclusively for the rest of my life and never get tired of it. It's my go-to movie!"

Jada Nixon

Marketing Specialist

"I have a couple of go-to movies that I could watch over and over, but if I ultimately had to choose just one, it would have to be Hannah Montana: The Movie. It never gets old!"

GUESS THE CITY

DID YOU KNOW?

HERE ARE A FEW BEHIND-THE-SCENES FACTS THAT MIGHT SURPRISE YOU!

What is the largest lantern event ever held?

Believe it or not, it isn't ours! China is known for hosting some of the largest and most elaborate lantern festivals in the world, with traditions that date back centuries. These incredible celebrations bring together thousands of glowing lanterns, intricate displays, and cultural traditions on a truly massive scale.

How early does the WLF team arrive before guests?

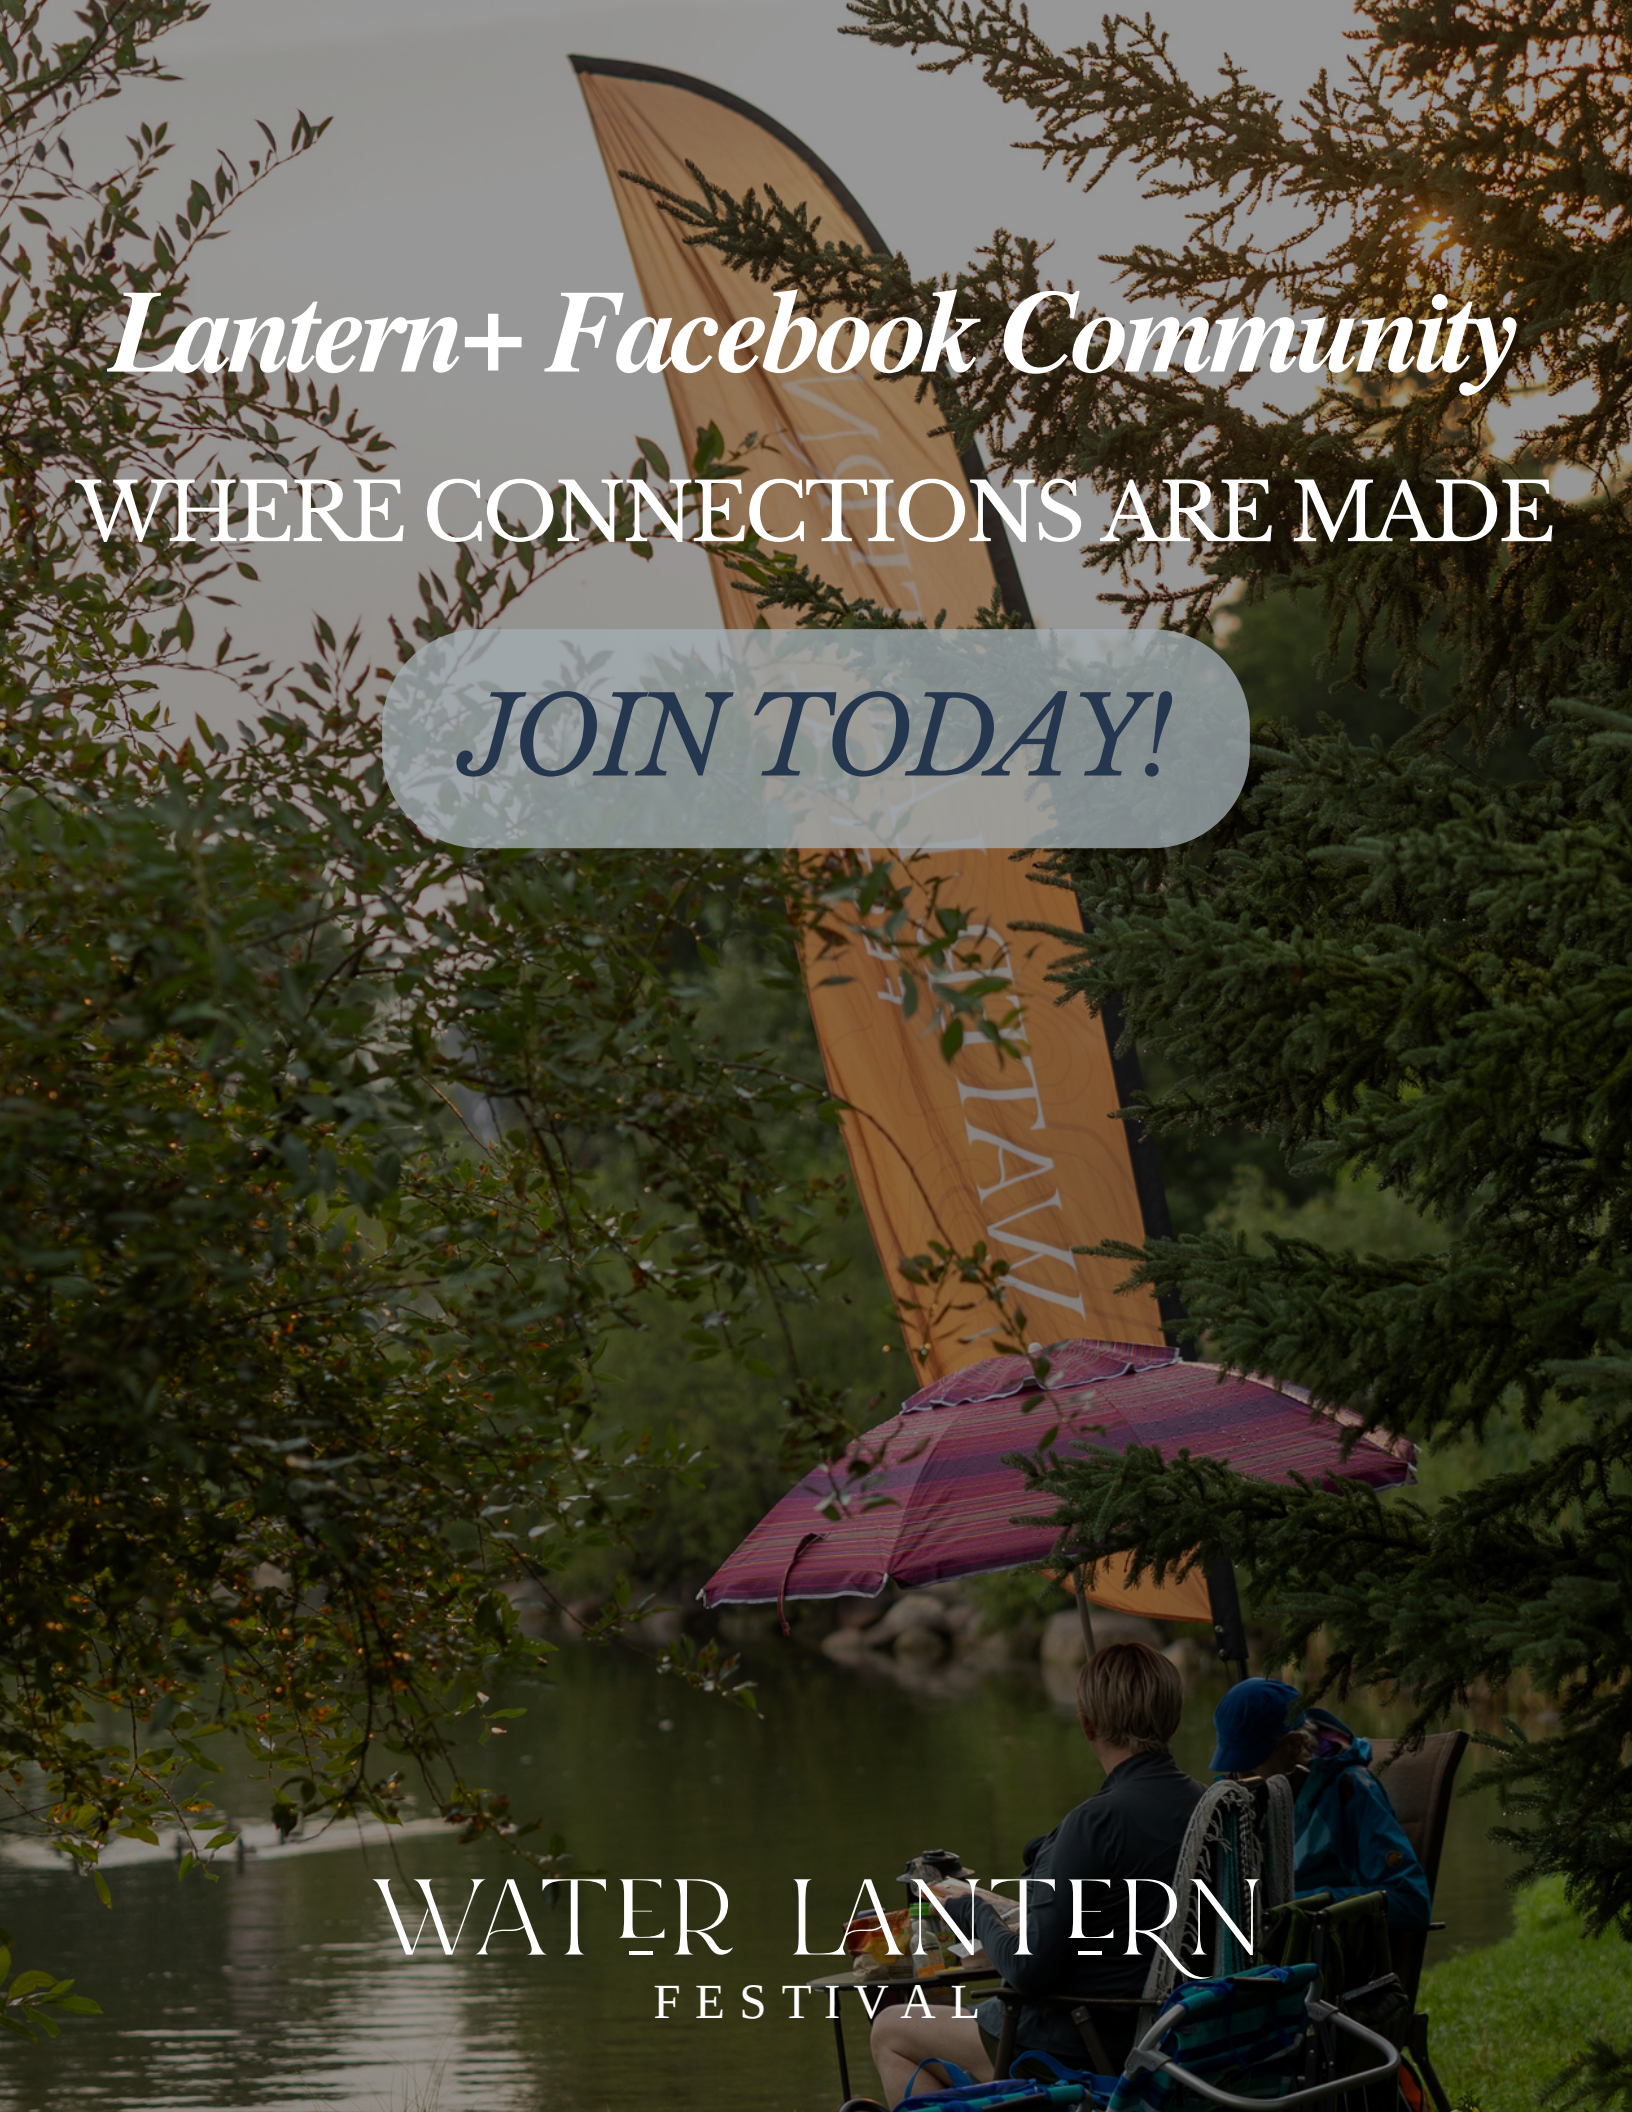

Our team arrives bright and early in the morning to make sure everything is set up and ready to go before gates open! We spend the entire day at the venue and stay several hours after the event ends to clean up and make sure we leave the venue even better than we found it.

What's one thing WLF staff always pack for an event?

Lots of water—and a few energy drinks! Our team spends long days at the venue, so staying hydrated is a must. And when we need a little extra boost to keep the energy high throughout the day, an energy drink usually does the trick!

How many songs are on our playlist?

We have 127 songs ready to play at every Water Lantern Festival! While we may not get through them all in one night, our playlist is packed with feel-good music to keep the energy going from gates open to the lantern launch.
