About Us

Established in 1970 Rosehill College is a co-educational secondary school with a rich history of providing quality education and fostering a supportive learning environment. The College sits within the Ngāti Tamaoho rohe. This area extends from north of the Tamaki Isthmus to south of the Waikato River, to the Whangamarino wetlands. It extends from the West Coast to the Hauraki Gulf/Firth of Thames. Its interests are concentrated in the Manukau lowlands, Āwhitu Peninsula, Papakura, Hunua Ranges, Mangatangi, and Whangamarino. Ngāti Tamaoho has a rich cultural heritage, including traditions, stories, and practices passed down through generations. They have a significant connection to their land and natural resources, and like other iwi, they play an active role in the social, cultural, and economic life of their communities.

Our Houses

ATAWHAI

“Kia tau tō atawhai” - Instil your kindness

The word atawhai means to show kindness, foster positivity, be liberal, and kindly disposed. It appears in the Māori translation of the national anthem, meaning to ‘instil within us kindness and compassion’. It describes people who care well for visitors and their own people.

KAHURANGI

“Whaia te iti kahurangi” - Pursue the precious things in life

A word which means noble, a precious jewel, a type of pale greenstone. It is also used to identify a woman of high rank, being equivalent to that of a ‘Dame’. The rest of the proverb goes on to say ‘if one should bow, let it be to a lofty mountain’ meaning, never give in. *“Me he tuohu koe, he maunga teitei”*

MANUTAKI

“Anō he manutaki” - Just like a leading bird

A manutaki is the leading bird in a flock migrating birds seeking new horizons. It is that bird at the apex of the ‘V-formation’. It is also the bird that acts as a sentinel, as a sentry for the other birds while they are feeding. ‘Like the manutaki’, means alert, ever guiding the flock towards new destinations.

POUNAMU

“Ahakoa he iti he pounamu” - Although it is small, it is precious

Most people know this Māori word for the precious stone found in our rivers, prized by early Māori and still esteemed today. This proverb, used in marae speeches, highlights the significance of things close to the heart and small, often overlooked items that play essential roles in daily life.

RANGATAHI

“Ka pū te ruha, ka hao te rangatahi”

- The old net is cast aside, the new net goes fishing

The word rangatahi is synonymous with youth. The rangatahi is the new net, the young people who are the leaders of tomorrow. The proverb is uttered when a leader is ready to stand down and hand his or her mantle over to the next generation.

TAIKURA

“Ko te reo te taikura ki te whakaao mārama”

- Language is the key to understanding

The taikura was the name given to the wood at the centre of the tōtara tree. It was red in colour and used to make the most prized of treasures. The tōtara tree was also favoured in the making of canoes as it contains a natural preservative which prevents decay caused by salt water.

ROSEHILL COLLEGE OPERATES ON A 10 DAY TIMETABLE

There is a **WEEK A** and a **WEEK B**

WET DAYS

Three bells *may* ring at interval or lunchtime.

This indicates that students may go to the Hall or the Library.

Students may **NOT** go into any empty buildings or rooms unless a teacher is present.

BEGINNING OF THE SCHOOL DAY

All students are to be at school by 8.30am Monday, Wednesday, Thursday, Friday and Tuesday all students are to be at school by 9.30am ready to learn.

“Every Day Counts”

1 or 2 days a week doesn't seem that much but...

If your child misses	that equals...	which is...	and over 13 years of school that's...
1 day a fortnight	20 days per year	4 weeks per year	Nearly 1.5 years
1 day a week	40 days per year	8 weeks per year	Over 2.5 years
2 days a week	80 days per year	16 weeks per year	Over 5 years
3 days a week	120 days per year	24 week per year	Nearly 8 years

The effect of absence of progress

A whole year has 365 days; a school year has 180 days. That leaves 185 days to spend on family time, visits, holidays, shopping and other appointments

No absence	9 days absence	18 days absence	27 days absence	38 days absence	45 days absence
180 days of education	171 days of education	162 days of education	153 days of education	144 days of education	135 days of education

“Late for school, late to class?”

Children learn best at the start of the day

If your child is late	that equals...	which is...	and over 13 years of school that's...
5 minutes a day	25 minutes a week	3/4 week per year	Nearly <u>3 Months</u> of lost learning
10 minutes a day	50 minutes a week	1.5 weeks per year	Nearly <u>6 Months</u> of lost learning
20 minutes a day	1 hr 40 minutes a week	2.5 weeks per year	Nearly <u>1 Year</u> of lost learning
30 minutes a day	1/2 a day a week	4 weeks per year	Nearly <u>1.5 Years</u> of lost learning
1 hour a day	1 day a week	8 weeks per year	Nearly <u>2.5 Years</u> of lost learning

Attendance

It is a legal requirement to notify the school of all absences as soon as possible.

Caregivers (*not students*) must report
Student **ABSENCES** and **LATENESS** by

OPTION ONE:

Mobile App: via the Rosehill App

OPTION TWO: Free Call: 0800 RCAWAY (0800 722929)

OPTION THREE:

Email: attendance@rosehillcollege.school.nz

A medical certificate is required for absences of three or more consecutive days (excludes weekends)

LATENESS

Parents or caregivers who drop their child off at school after the official start of the school day must come into the school office to sign their child in. Alternatively, if they have previously contacted the student's Kaitiaki (Head of House) or the Attendance Officer to explain the lateness, this may be accepted in lieu of signing in. This process is a requirement for any student who arrives after the morning roll has closed. It ensures that we meet our legal obligations for student safety, maintain accurate attendance records, and can confirm the wellbeing of all ākonga onsite.

PROLONGED ILLNESSES

Caregiver must inform the Kaitiaki/HOH and Attendance Officer of the dates and details, preferably in advance. Discuss accessing schoolwork through Google Classroom with the Kaitiaki to stay up to date.

EXIT PERMITS

Caregiver must inform their Kaitiaki/HOH and Attendance Officer in advance if a student needs time off during the school day (e.g., for medical appointments or funerals). An Exit Permit can then be collected from the Student Office which is also where the student will sign in and out. Students to see their Kaitiaki at the start of the day to obtain an exit permit.

ILLNESS DURING THE DAY

If a student feels unwell during the school day, they must inform their teacher and visit the Nurse's Clinic. If the nurse determines the student should go home, they will contact the caregiver and issue a Medical Exit Permit.

EXTENDED ABSENCES

Caregivers are required to notify the Kaitiaki/HOH and the Attendance Officer *in advance* where possible, regarding the dates and details of any extended absence. Holidays exceeding five days during term time is considered an extended absence. Senior students consult with your Kaitiaki if you are going to miss any assessments.

Parents' Parking

Parents are **NOT** permitted to park in the staff parking area (right-hand side) before or after school. Drop off and pick up students along Rosehill Drive, as the front road area is unsuitable for this.

The visitors' car park may be used for pick-ups *during the school day ONLY - NOT during bus times*.

NOTE: Year 13 students have limited parking along Rosehill Drive. *The school is not liable for any damage to student vehicles.*

School Access

If you have anything to drop off to your child during school hours, please report to the Front Office.

NOTE: There is no access to school grounds. Parents cannot go directly to classrooms during the day.

Food deliveries for students, e.g. uber eats, fast food items are not accepted at school.

WHAT IF I NEED MEDICAL ATTENTION? School Medical Team

OBTAINING AND STORING STUDENT MEDICAL INFORMATION

Essential health information for students is collected at enrollment and updated as needed, such as before camps or EOTC (Education Outside the Classroom) activities. Parents are responsible for notifying the school of any new or changing medical needs. All medication is securely stored in the Sick Bay, with information accessible to relevant staff via KAMAR (student management system).

PARENTAL CONTACT

Every effort will be made to contact parents in the event of any injuries or illness that requires outside medical attention or situations that cause concern. However, the priority of the College will always be to ensure that the student receives prompt and effective medical care.

RECORDING INJURIES

All injuries requiring treatment, other than minor cuts and grazes, will be recorded in the school's Student Management System. For more serious injuries, the attending staff member will complete an accident report form.

TREATING INJURIES OUTSIDE SCHOOL

Staff with EOTC responsibilities will receive Level 1 First Aid training. This is organised by the school nurses. Appropriate medical and safety equipment will be available for treatment and use by staff. The stock is checked by the school nurses.

ALL BADGES - ATTENDANCE AND ATTITUDE

Attendance and Attitude Requirements for participating in co-curricular activities and receiving badges.

A condition for participating in co-curricular activities for the college is the student will have the correct attitude towards their schooling and at the same time will have acceptable attendance. Attendance should be above 90% for House Badges and 95% or higher for School Badges. If either of these is not the case, students may be withdrawn from their activity as set out below:

ATTENDANCE

If there is a serious concern about a student’s attendance they will be withdrawn from the activity. This would happen after there have been discussions with parents by the Kaitiaki about attendance concerns and if the poor attendance continues.

This includes lesson-by-lesson absences or non-attendance at school.

- Step 1:** Withdraw from the activity for 1 week.
- Step 2:** After further interventions, if the attendance continues to be an issue the student is withdrawn from the activity for 2 weeks.
- Step 3:** If the attendance continues to be an issue, the student is withdrawn from the activity for the rest of the 'season.'

DISCIPLINE ISSUES/POOR ATTITUDES

Students who have been stood down:

1st Stand-down: The student is withdrawn from the activity while on stand-down.

2nd or 3rd Stand-down:

The student will be withdrawn from the activity while on standdown and while they are on red report.

If the student is referred to SLT by their Kaitiaki for behavioural issues, the student will be withdrawn from the activity while they are on red report.

Suspension: If a student returns to school, the Board may impose activity conditions on the student.

Cell Phone Guideline

We do not recommend that students bring cell phones to school, as they are unnecessary during the day. However, we understand some parents/caregivers prefer their children to have a phone for after-school communication.

If a student *does* bring a phone to school, the following guidelines apply:

- The school is not responsible for lost, damaged, or stolen phones.
- If students choose to bring a cell phone, ***it must be switched to 'silent' and left in the student's school bag between the first bell at 8.45am and the end of the school day 3.10pm.***

This ensures that the phone is not a distraction to students or teachers during classes. The school has a consistent process to be followed in every class around the management of this.

- If cell phones are used for a learning activity, this will be at the teacher's discretion and the phone's use will be supervised by a staff member.
- Students may bring a cell phone on EOTC activities, subject to the supervising staff member's conditions and school policies.
- In an emergency, parents should contact the school who will ensure a staff member quickly conveys a message to students.
- If a parent/caregiver needs to contact their child during the day, they may call or email the Student Office.

CONSEQUENCES:

- If a staff member observes a student with a cell phone during class or break times the student must hand it to the staff member immediately when asked. The cell phone will be kept at the Student Office and can be collected by a parent or caregiver at the end of the school week (Friday). Consequently, the student will receive an after-school detention.
- A cell phone can be confiscated by staff on reasonable grounds (as they have been deemed to have a negative or disruptive effect on the school's learning environment) if the student does not follow the school guidelines, the phone will be taken to the Student Office for collection by a parent or caregiver at the end of the school week **Friday afternoons between 3.15pm and 4.15pm** from the Student Office.
- If a parent or caregiver wishes to collect the phone earlier in the week, it must be signed out **by the Principal**. To arrange an alternative collection time, please email the Principal's Secretary at pa@rosehillcollege.school.nz to make an appointment. Please do not arrive without prior arrangement, as the Principal may not be available to assist.
- Continued violation of the cell phone guidelines results in a parent/student meeting with the Kaitiaki or Deputy Principal and becomes a persistent defiance disciplinary issue.

INAPPROPRIATE CELL PHONE USE DURING SCHOOL HOURS:

Inappropriate use of a cell phone may include:

- Any sort of bullying, e.g. disrespectful messages about staff or other students
- Taking photos or videos of other people without their permission
- Forwarding inappropriate messages or content
- Disrupting the classroom learning that is taking place or other students learning

The school will follow its discipline procedure of interviewing, collecting statements and notifying parents of the results of any investigation into inappropriate cell phone use. There will then be a decision made on consequences in relation to the level of behaviour and responsibility of the students involved.

GUIDELINES FOR PARENTS

INAPPROPRIATE CELL PHONE USE OUTSIDE OF SCHOOL HOURS:

Parents are responsible for their children outside of school hours. We encourage parents to have clear rules around cell phone use at home and to encourage students to be the same person online or in person. We also encourage parents to monitor passwords, control Wi-fi use overnight and be engaged with what their children are consuming and creating online. If there is an incident involving Rosehill College students that has occurred online outside of school hours, we encourage you to reach out to the other student's parents in a calm manner to inform them of what has happened. Work together to find a solution to the behaviour/incident. If the behaviour is in breach of the Harmful Digital Communications Act 2015 we encourage you to contact Netsafe or the NZ police and report it. Both Netsafe and The Parenting Place have great resources on raising digitally responsible teens.

Payments

Rosehill College has joined the Government donation scheme and we will not request that you pay any school donations or course costs. There are no NZQA fees payable for NCEA (unless you are an International Student).

If you are involved in a sports team this is an optional extra-curricular activity and you will be required to pay any costs of this activity. Non-payment of these costs may mean that you lose your place in the team. Information about sports being offered and costs will be advised by the Sports Department from Term 1 onwards.

We will be asking parents and whanau to contribute towards food, accommodation and transport costs for overnight camps and trips. Information about overnight camps and trips will be issued during the year.

Voluntary donations can be made to Rosehill College at any time and donations can be claimed as a tax credit.

Any payments to Rosehill College can be made online into our bank account.

Learning Support

At Rosehill College, the Learner Support team is here to help you do your best. If you need support with any classes or learning areas, come and let us know. We're here to help you meet your learning goals, whether it's extra help with certain subjects, developing study skills, or providing support for different learning needs.

We also have kaiāwhina (teacher aides) who visit classrooms to help with learning. They provide valuable support for students with diverse learning needs or people needing an extra hand, ensuring everyone has the assistance needed to succeed.

We offer Special Assessment Conditions (SAC) to ensure everyone has a fair chance during exams, with options like extra time or helpful tools such as hangarau āwhina (assistive technology).

For students who need a bit more focus, we run small group sessions where you can get extra support in a friendly and collaborative setting.

If classes are feeling overwhelming or you need a boost, we can create Mahere Akoranga Motuhake (Individual Learning Plans) with the help of your Kaitiaki (Head of House). These plans set clear goals and steps to guide your learning journey.

We work closely with your kaiako (teachers) and whānau (family) to ensure you have all the support you need, both at school and home.

At Rosehill College, we believe in you and your potential. We're here to walk alongside you and help you succeed in your learning journey.

Careers Department WORK EXPERIENCE

So, here's the deal: you'll need to find a workplace that's ready to welcome you for your work experience. If you know a place that can have you for one day a week over five weeks, just let the Gateway coordinator know!

They'll reach out to the workplace to make sure it's a good fit and even do a site visit.

If there's a specific career you're into but can't find a spot, don't hesitate to chat with the Gateway coordinator. They can help you find local options.

For example, if you're into retail and know someone at a local clothing store, or if you're interested in cars have a connection at an auto shop, reach out! It's all about exploring your interests and getting that hands-on experience.

If you have any further questions:

Please come and visit us in the Careers Department in S Block.
