

ROSEHILL COLLEGE

PRINCIPAL'S MESSAGE

End of Term 2, 2025

Tēnā koutou katoa,

Term 2 has come to an end, and I want to thank our students, staff, and whānau for all their hard work and support. It's been a busy term, full of learning, events, and growth. I'm proud of the way our school community has come together to make it a success.

This term has been rich with learning, achievement, and connection. A significant milestone was the completion of our first **CAA (Common Assessment Activities)** cycle.

We acknowledge the pressure and stress that assessments can place on our students, and we want to reassure you that we are actively working on ways to support and improve the experience for all learners ahead of the next round in Term 3.

Among the highlights was our **Senior School Ball**, a memorable and elegant evening where our students once again outdid themselves, looking absolutely stunning and representing our kura with pride. A huge thank you to our student leaders, whose mahi and leadership throughout the planning and the evening itself helped make the event such a success.

From academic progress and winter sports to cultural wānanga, careers expos, and wellbeing initiatives, our students have stepped up with focus and determination. I am especially proud of the resilience and unity shown across the term.

A special thank you to our staff, who continue to guide and inspire our ākonga with dedication and care. Our school is at its best when whānau and staff work together to create the best possible environment for student success and your support makes all the difference.

Term 3 will bring new challenges and exciting opportunities, including course selection for 2026, key academic milestones, and celebrations of excellence. For our **Year 12 and Year 13 students**, the focus will be on completing their qualifications in what is again a short and condensed term. Maintaining a strong focus on learning, attendance, and assessment completion will be essential. In the meantime, I encourage everyone to use the rest of the break to rest, reset, and reconnect with whānau.

We look forward to welcoming everyone back on Monday 14 July 2025.

Ngā manaakitanga,

Davida Suasua

Principal | Tumuaki

Key Reminders for Term 3

2026 Course Selections

Course selections for 2026 take place early in Term 3 with final selections due in Career Central by the 14th August.

Now is a good time to discuss important choices for future careers and pathways with students moving into Year 12 and Year 13, as well as exploring and extending interests for students moving into Year 10 and Year 11. Parents/caregivers can come along to the College Open Day on the 2nd August or make appointments with key staff at our Patapatai/Parent Teacher Interview evening on the 4th of August to discuss course selections. Parents can also login to Career Central using the email address connected to your child in our student management system. This will provide a list of subjects that your child is planning for 2026 along with other information they have entered into Career Central.

ROSEHILL COLLEGE EXPECTATIONS

Attendance Matters at Rosehill College

As we progress through Term 3, I want to take a moment to emphasise how important school attendance is for student success. Every day your child is at school is a day of learning, connection, and growth — whether they're preparing for the CAA assessments, completing NCEA internals, or participating in specialist pathways.

The Government has made it clear that lifting attendance is a national priority. The goal is for 80% of students to attend school more than 90% of the time by 2030. At Rosehill College, we are committed to this goal and will continue to work in partnership with whānau to ensure our students are present and engaged.

To help us track and support student attendance, we use KAMAR codes to record the reason for each absence:

- P** Present
- J** Justified (e.g., illness with a medical certificate)
- U** Unjustified (e.g., unexplained or without valid reason)
- T** Truant
- L** Late
- M** Medical appointment
- F** Family reasons (approved in advance)
- E** Explained but unjustified (e.g., minor illness without certificate)
- S** School-related activity offsite
- X** Not in class (used for various reasons—must be explained)

If your child is away, please notify the school as early as possible and ensure a medical certificate is provided if they are away for more than three consecutive days or as requested. You can contact the attendance office via phone, email, or through our school app.

A reminder that students must be signed in and out through the School Office if they are arriving late or leaving during the day. If they are attending a medical appointment, please ensure they bring a medical certificate the following day.

We are also aligning our practices with the Ministry's Stepped Attendance Response (STAR) model, which supports early intervention and strengthens accountability. Our goal is not to punish but to support — ensuring every student has the opportunity to succeed.

Uniform Expectations and Winter Preparedness

As we settle into the colder months, I'd like to remind all students and whānau of our uniform expectations and the importance of being prepared for winter weather.

All students are required to wear the correct Rosehill College uniform, including appropriate black, polishable school shoes. Over recent winters, we've seen a rise in non-uniform items such as Ugg boots, Crocs, slippers, and non-uniform sweatshirts or jackets. These items are not permitted and will be confiscated if worn during school hours.

Sports uniforms and teamwear may only be worn during official sporting events or activities. These are not part of the daily school uniform and should not be worn during regular class time. We ask for your support to avoid situations where staff are required to confiscate these items.

Uniforms can be purchased through The Uniform Shoppe in Papakura: www.theuniformshoppe.co.nz
For full uniform guidelines, please refer to our website: www.rosehillcollege.school.nz/Start-of-Year

If your family needs assistance with uniform costs, you may be eligible for support through Work and Income New Zealand (WINZ). This support can help cover school clothing, footwear, and essential items like stationery.

More information is available at: www.workandincome.govt or contact WINZ directly on 0800 559 009.

If you need help navigating this process, please don't hesitate to contact our school office — we are here to support you.

While our classrooms are well-heated, it's important that students arrive prepared for cold and wet conditions. We strongly encourage students to bring a waterproof jacket and/or umbrella, as we've had several arrive soaked, which not only makes them uncomfortable but also impacts their ability to learn.

Mobile Phones

A reminder that students must keep their phones turned off and in their bags from the time they arrive at school until 3:30pm. Mobile phones in classrooms are not only a distraction for students, they also take valuable time away from teaching, as staff are left managing phone misuse rather than focusing on learning.

Please remind your child of the importance of appropriate phone use. Like many whānau, we as a school find this ongoing issue both frustrating and unnecessarily time-consuming. If you need to contact your child during the school day, please phone the main office and we will ensure your message is passed on. Ongoing breaches may result in disciplinary action.

Vaping and Student Safety

We remind all students and whānau that vaping and the possession of vaping devices are not permitted at school. Any student found with these items will face disciplinary consequences. We encourage whānau to check school bags regularly and have honest conversations about the health and behavioural risks associated with vaping.

Care for Our Property

Please support us by reminding your child of the importance of respecting our school environment. The Board has invested significantly to ensure that our classrooms and facilities are warm, ventilated, and comfortable spaces for learning.

Unfortunately, we have recently caught a number of students vandalising our school toilets. Some of the behaviours displayed have been, quite frankly, disgusting and completely unacceptable. These actions not only damage our shared spaces but also create health and safety issues for others.

Vandalism of any kind — whether to toilets, walls, or classroom equipment — will be taken seriously and followed up with appropriate disciplinary action. We ask all whānau to have conversations at home about respecting school property and taking pride in our learning environment.

School Transport

There has been a change to the bus routes. Please refer to the school website for the most up-to-date information on this and other school transport arrangements.

Social Media and Online Behaviour

We have seen an increasing number of concerning behaviours linked to student use of social media, particularly when it comes to bullying, harassment, and inappropriate use of photos and videos. While platforms like Instagram, TikTok, and Snapchat can be positive tools for creativity and connection, they are often misused to harm others.

We are currently dealing with incidents of social media bullying that occur outside of school hours, including situations where students have taken or shared photos and videos of other students and staff without permission, and in some cases used these to troll or ridicule others online. This behaviour, regardless of when or where it occurs, has a direct impact on student safety and school culture, and will not be tolerated.

We ask all parents and caregivers to:

- Monitor your child's online activity regularly
- Talk with them about safe and respectful digital behaviour
- Reinforce the importance of not engaging in or sharing harmful content
- Remind them that school expectations for behaviour extend to online spaces

If you're unsure how to support your child with these issues, Netsafe provides excellent advice and tools for managing online safety, bullying, and digital wellbeing: www.netsafe.org.nz/online-bullying

Rosehill College will continue to address all reports of bullying — online or offline — with appropriate disciplinary actions and support for those affected. Let's work together to keep our students safe, respectful, and responsible in all spaces, both at school and online.

Hauora Rangahau Expo Day – Advancing Māori and Pasifika Wellbeing

On Friday 25 July, Rosehill College will proudly host the Hauora Rangahau Expo – a full-day event focused on advancing Māori whānau and Pasifika aiga health through research led by experts across Aotearoa. Our school hall will be transformed into a vibrant hub of knowledge, culture, and connection as students engaged in hands-on learning experiences across a range of health areas, including cardiovascular, respiratory, eye, ear, and women's health, as well as psychological medicine and nutritional wellbeing. We were honoured to welcome whānau to attend the expo in the afternoon and share in the kaupapa. Events like these are a powerful reminder of the importance of culturally informed research and empowering our communities through knowledge.
