CHICAGO STARS FC NAME NORTHWESTERN MEDICINE FIELD AT MARTIN STADIUM THE CLUB'S NEW HOME FOR 2026

Chicago Stars FC has named Northwestern Medicine Field at Martin Stadium the club's new home for the 2026 National Women's Soccer League (NWSL) season. The club played its Wintrust Lakefront Faceoff match at the stadium September 7, earning a 5-2 win against Orlando Pride in front of more than 10,000 fans, before announcing it would move to Evanston for the entire 2026 season. Northwestern Medicine Field at Martin Stadium sits on the shore of Lake Michigan, offering unmatched views of Chicago's skyline; a picturesque backdrop and vibrant atmosphere for fans. The 12,000 seat stadium was built as the interim home for Northwestern football and offers an intimate viewing experience where fans can feel a part of the action from all sections throughout the stadium. Fans can easily access this one-of-a-kind stadium via multiple routes from public transportation, to biking up the lakefront path, to driving with easily accessible on-campus parking.

CHICAGO STARS FC TAKES HISTORIC STEP, UNVEILS PLANS FOR FIRST CLUB-OWNED PERFORMANCE CENTER

Chicago Stars FC have unveiled plans to develop a player-centric performance center as part of the club's continued investment and growth. The Chicago Stars have identified a 10-acre site in Bannockburn, IL, to serve as the site for the team's performance center and hub for all team operations. The sustainably built performance center will feature two full-sized soccer pitches and a goalkeeper-specific pitch. The 45,000-square-foot adaptive re-use building will include intentional recovery modalities, weight room with easy indoor/outdoor access, and spaces designed to enable mindfulness. Construction is slated to begin in the Spring of 2026, with the goal of opening and fully hosting team training operations in 2027.

SJÖGREN AT THE HELM

After being announced as Chicago's new head coach late last year, Martin Sjögren's first season with the Stars is underway. The Swede arrives in Chicago after more than a decade coaching at various Swedish teams and a stint at the helm of the Norwegian Women's National Team. Sjögren earned his first NWSL win in a 2-1 victory over the reigning NWSL Shield winners, the Kansas City Current on Sunday, March 22. Current assistant coach Anders Jacobson previously joined the Stars in August 2025 as interim head coach ahead of Sjögren's arrival, setting the foundation for what would become the team's identity under the duo.

SQUAD LEADERS

Tessa Dellarose, Ryan Gareis, Julia Grosso and Sam Staab have played in all seven matches for Chicago, with Staab being the only Star to play all 630 minutes. Jordyn Huitema leads the squad with two goals and ranks first in the league for aerial duels won (19) while Gareis leads the Stars with two assists, ranking her second in the NWSL.

Goalkeeper Halle Mackiewicz has been removed from the 45-day injury list and placed on the club's active roster, as announced by the Stars on April 29. After missing Chicago's first six matches, Mackiewicz joined the active roster ahead of Stars' match against Gotham FC.

Before joining the Chicago Stars, Atkinson was previously Racing Louisville FC's nominee for the 2024 edition of the award, partnering with another local children's hospital, Norton Children's. Lund worked extensively with pediatric oncology organizations throughout her time in Louisville and plans to continue doing so in Chicago, beginning with the Center for Cancer and Blood Disorders at Lurie Children's.
