HOUSTON DASH GAME NOTES

HOUSTON DASH CLOSE REGULAR SEASON AGAINST PORTLAND THORNS FC

The Houston Dash return to Shell Energy Stadium on Sunday, Nov. 1 to close out the 2026 regular season and celebrate Fan Appreciation Night against Portland Thorns FC. The Dash will celebrate the fans and community who have supported the team throughout the season as Houston looks to finish its home slate with a victory. Fans in attendance will receive a team poster at the gate, while supplies last. Kickoff is set for 4:00 p.m. CT.

Houston will look to build on its recent momentum under interim head coach Jaime Frias after earning seven points from its last three road matches, including a 3-1 victory over Chicago Stars FC on Oct. 23. The Dash secured their ninth win of the season behind goals from three different players. Defender Leah Klenke opened the scoring in the fourth minute after recovering possession inside the box and finishing the chance for her first professional goal. Her performance earned her a nomination for NWSL Player of the Week. Midfielder Maggie Graham doubled Houston's lead in the 54th minute, finishing a delivery from defender Lisa Boattin following an indirect free kick. Boattin's assist earned NWSL Assist of the Week honors, while forward Clarissa Larisey added a third goal in the 79th minute to secure the victory.

Houston's attack continues to be fueled by its rookie class, which has accounted for 18 of the team's 38 goals this season. Forward Kat Rader leads the Dash with 10 goals and is one goal away from matching the NWSL single-season rookie scoring record of 11, set by Diana Ordóñez with the North Carolina Courage in 2023. Rader scored her 10th goal of the season in the first meeting against Portland in September, becoming the first Dash player to reach double-digit goals in a season since Rachel Daly in 2018. The Duke University alum will look to make history against the Thorns in the regular-season finale.

Defensively, Houston will face a Portland side that has scored in 13 consecutive matches. The Dash showed their defensive strength in the 3-1 victory over Chicago, forcing 24 clearances, while goalkeeper and captain Jane Campbell made a key first-half save to preserve Houston's lead. Klenke has also been a key contributor defensively, leading the team in minutes played, clearances and aerial duels won. Houston will look to limit Portland's attacking opportunities and contain forward Sophia Wilson, who leads the Thorns with 13 goals and five assists this season. Wilson will be eligible for selection after missing the last two matches due to a suspension.

Portland enters the regular-season finale after securing a 1-0 victory over the North Carolina Courage on Oct. 23 to clinch a berth in the 2026 NWSL Playoffs. Defender Marie Müller scored the decisive goal in the 60th minute, finishing a deflected effort from approximately 20 yards out. Goalkeeper Mackenzie Arnold anchors the Thorns' defense and she recorded her eighth clean sheet of the season against North Carolina. That was the 100th clean sheet in team history, a first for an NWSL club.

The two sides last met on Sept. 26 at Providence Park, where the teams played to a 1-1 draw. Rader opened the scoring in the 10th minute after receiving a pass from forward Kate Faasse at the edge of the box and beating the Portland goalkeeper to the ball. The Dash maintained their advantage for much of the match before Müller equalized in the 85th minute. The result snapped the Dash's two-game losing streak at Providence Park and marked their first point earned in Oregon since the 2023 season. Houston will look to carry that performance into Sunday's finale as the team closes out the regular season against the Thorns.

ANGELA HUCLES MANGANO
HOUSTON DASH PRESIDENT OF SOCCER

Angela Hucles Mangano enters her second season as the President of Women's Soccer of the Houston Dash and she is the first individual to serve in this role. Hucles Mangano was hired on December 9, 2024, and serves as the Chief Soccer Officer for the team and brings nearly four decades of experience in the sports industry as an executive, motivational speaker and athlete.

Hucles Mangano previously served as the General Manager for Angel City FC. She joined the Angel City technical staff in 2021 as the Vice President of Player Development and Operations. Hucles Mangano was promoted to general manager the following year and built a roster that earned Angel City's first ever playoff appearance in 2023. She led all aspects of soccer operations for the club and she helped the organization secure a nine-acre site to house its performance center prior to joining the Dash.

Her experience in the non-profit sector includes a two-year stint with Up2Us Sports as a Regional Director. She has also served on the board of non-profit organizations like You Can Play, which is dedicated to fostering a safe and inclusive environment for all who participate in sports, including LGBTQ+ athletes, coaches and fans.

Hucles Mangano is a two-time Olympic gold medal winner with the U.S. Women's National Team and appeared in more than 100 matches for the United States. She also joined the USWNT for the 2003 and 2007 FIFA Women's World Cups, earning two bronze medals. Her professional career began in Virginia where she played for the Hampton Roads Piranhas of the W-League for one season. She spent the next nine seasons in Boston playing for the Boston Breakers, both in the WUSA and WPS professional soccer leagues, and Boston Renegades.

Following her retirement from professional soccer, the Virginia Beach, Virginia native also spent time as a commentator for ESPN, NBC and FOX during their coverage of international events like the Olympic Games and FIFA Women's World Cup.

JAIME FRIAS
HOUSTON DASH INTERIM HEAD COACH

Jaime Frias begins his tenure as the interim head coach of the Houston Dash on Sept. 20 after serving as an assistant coach with the club since 2025. A Houston native, Frias brings more than two decades of coaching experience at the collegiate and international levels and has played an important role in the development of the Dash's squad since joining the club.

Frias joined the Dash following three seasons as the head coach of the University of Houston women's soccer program. He guided the Cougars through their transition to the Big 12 Conference in 2023 and led the program to its best start in school history during his second season, opening the campaign with a 6-0-1 record.

Prior to his time at Houston, Frias spent two stints with the University of Virginia, where he helped the Cavaliers win three ACC regular-season titles and the 2012 ACC Tournament championship. Between his two stints at Virginia, Frias joined U.S. Soccer from 2017-2019, serving as the head coach of the U.S. U-18 Women's National Team and U.S. U-16 Youth National Team, while also serving as an assistant coach with the U.S. U-20 Women's National Team.

Frias assisted at three FIFA U-20 Women's World Cups in 2012, 2014 and 2018, helping the U.S. capture the 2012 FIFA U-20 Women's World Cup title.

Frias began his coaching career in 2000 as an assistant coach at Centenary College of Louisiana before joining Stephen F. Austin State University in 2003. He was promoted to head coach in 2005 and led the Lumberjacks to three Southland Conference titles and an NCAA Tournament appearance. He later served as the head coach at the University of Nevada for the 2008 and 2009 seasons. Frias earned his bachelor's degree in health and physical education from Centenary College of Louisiana, where he played four seasons and served as team captain for two years.

ABOUT SHELL ENERGY STADIUM

Shell Energy Stadium is a state-of-the-art, open-air stadium designed to host Houston Dynamo FC matches, Houston Dash matches and Texas Southern University football games as well as additional professional, collegiate and community sporting events, concerts, exhibitions, conventions and special events. Opened on May 12, 2012, the 340,000-square foot, 20,000-seat stadium is the first soccer-specific stadium in Major League Soccer located in a city's downtown district.

The Houston Dash have played select home games away from the stadium, including a match at H-E-B Park in Edinburg, Texas on September 27, 2017 against the North Carolina Courage, due to impacts from Hurricane Harvey. This marked the second time the Dash hosted a home game away from their home venue.

An architecturally stunning building, the stadium features 94,000 square feet of aluminum panels on its exterior, giving it a modern and stylish appearance. Each of the panels is 50 percent open to improve air flow throughout the concourses. Canopies extend 75 feet over the stands on the east and west sides of the stadium, and a stage canopy extends 125 feet over the south end, providing shade to soccer fans and a built-in speaker setup for concerts. With its downtown location, the stadium is a part of a true 'Stadium District,' which includes Daikin Park and the Toyota Center, as well as the George R. Brown Convention Center and Discovery Green.

The stadium was awarded the LEED® Silver certification from the U.S. Green Building Council in December 2012. The venue has been identified as a pioneering example of new construction and sustainable design and is considered a leader in transforming the building industry.

On June 13, 2019, the stadium was officially renamed from BBVA Compass Stadium to BBVA Stadium. The new stadium name and corresponding signage change was part of BBVA's ongoing brand unification happening across the globe. BBVA Group's new logo and brand signals an advancement in the financial institution's efforts become a single, global digital entity in all areas where it operates. The stadium was again renamed again in 2021 following the merger of PNC Bank and the U.S. division of BBVA.

The venue reopened its doors as Shell Energy Stadium in 2023 following an agreement between Houston Dynamo Football Club and Shell Energy. Both organizations are pursuing a variety of integrated energy and decarbonization solutions at the stadium, while also collaborating on important community initiatives. This includes a near-term goal to reduce the Club's scope one and scope two greenhouse gas emissions by 50 percent by 2026 from a 2018 base year.
