Payout Percentages

Fees and payout percentages listed here apply to both Auction and Buy-It-Now listings.

\$0.99 - \$19.99 customer receives 80% of SALE PRICE
\$20 - \$2,999.99 customer receives 85% of SALE PRICE
\$3,000 - \$3,999.99 customer receives 87% of SALE PRICE
\$4,000 - \$4,999.99 customer receives 89% of SALE PRICE
\$5,000 - \$9,999.99 customer receives 90% of SALE PRICE
\$10,000+ customer receives 92% of SALE PRICE

A \$1 listing fee applies per card for all cards sold, and per unsold auction, and is deducted from your total payout.

We highly recommend submitting cards valued \$5 or higher, as a \$1 listing fee and minimum 80% payout fee apply to all cards. Example payouts calculations are provided below:

\$1 sale x 80% payout rate = \$0.80 - \$1 listing fee = -\$0.20
\$5 sale x 80% payout rate = \$4.00 - \$1 listing fee = \$3.00
\$25 sale x 85% payout rate = \$21.25 - \$1 listing fee = \$20.25
\$5,000 sale x 90% payout rate = \$4,500 - \$1 listing fee = \$4,499

Card Condition

Cards must be in Excellent/Light Played condition or better, and will be listed accordingly. We will notify you if any cards in your submission fall below this threshold, and will list them as the appropriate condition with your written approval via email. Cards **MUST** be free of smoke, smoke stains, and smoke damage, or they will be returned at your expense. Cards **MUST** be free of foreign substances and stains, even small dots. We will not attempt to clean any card.

Preparing Your Submission

All cards must be placed in penny sleeves and top loaders. Cards that are not properly protected will be returned to you at your expense. Please ensure top loaders are free of tape or obstructions.

Please write or print a slip with the following information and include it in your package: NAME, EMAIL, SUBMISSION TYPE (Auction, Buy-It-Now, Mixed), SUBMISSION COUNT (number of cards).

Processing Time

We cannot guarantee an exact listing timeframe. We aim to list all submissions within five (5) business days of receiving them. Any anticipated delay in our service will be listed at the top of RelicAuctions.com.

Auction Listing Format

All cards listed via auction begin at \$0.99 or \$1.99 and run for seven (7) days. All cards are listed as Excellent/Light Played.

Buy-It-Now Listing Format

Buy-It-Now listings are offered for cards \$20 and above, or less at our discretion. Provide your desired listing price using one of the following methods:

- A) Clearly write the desired listing price of each card on the top loader it is in.
- B) Provide a written or typed list of all card names, identifying characteristics (variant/parallel), and the desired listing price. Cards **MUST** be packaged in the same order as they are listed.
- C) We will provide a spreadsheet of your cards in which you may input prices.

Prices must be within 150% of market value. (*This does not apply to cards lacking adequate comparable sales data.*)

Buy-It-Now listings may be canceled at any time via written email notice. Cards will be delisted within 5 business days of email receipt. Any sales that occur after written notice is issued but before cards are delisted will be honored and paid out. Canceled listings will incur a \$0.50 fee per listing if canceled within the first 3 months following listing. You will be required to pay outstanding cancellation fees and return shipping costs before items are returned to you.

We allow five (5) price revisions per one hundred (100) cards per month. Requests must be submitted via email. If you believe the majority of your listings are no longer within market prices, please contact us to receive a mass price revision sheet. Mass price revisions are available once per thirty (30) calendar days. Price revisions will be processed within five (5) business days of revision request receipt. Any sales that occur after a price revision request is submitted, but before the price is changed, will be honored and paid out.

We reserve the right to end your Buy-It-Now or auction listings at any time. You will **NOT** be charged any listing, cancelation, or return shipping fees if we delist your items.

Payment

Payments are available via ACH (free) or check (\$5 fee). ACH payments for sales completed Monday 12:00PM CST to Sunday 11:59PM CST are automatically transferred the second Thursday following Sunday. Bank holidays may delay payment.

We allow 7 calendar days for bidders to combine shipping and pay. Saving on shipping costs encourages more bids and higher bids. Because of this, sale dates may appear up to 7 days later than an auction's end date, and are paid according to this sale date. This system also allows for items to go unpaid. Unpaid items will be listed in the auction summary, and may be relisted at no additional cost, or returned to you at your expense. You'll receive an email regarding any unsold cards, and must verify your desired action before cards are relisted or returned. Unpaid items will not impact the payment of successful auctions. Automatic payments will still be transferred regardless of the status of unsold cards. Unsold cards that are relisted will be processed as a new submission, and the process outlined in "Listing Format" will apply.

Additional Terms

SHILL BIDDING Bidding on your own auctions (shill bidding) is strictly prohibited. If you're found to be engaging in this practice, you'll lose the ability to consign with us, any listed cards will be delisted and returned at your expense, and any unlisted cards will be returned to you at your expense.

COUNTERFIT CARDS We will not list counterfeit or suspected counterfeit cards. Counterfeit cards may not be returned to you and may be destroyed in accordance with local laws and regulations.
