

A warm, rustic interior of a chalet. A large stone fireplace with a fire burning inside is the central focus. To the left, a wooden desk with a chair and a framed portrait of a man. To the right, a kitchen area with wooden cabinets and a window. The ceiling is made of dark wood beams, and the walls are a mix of white and wood. A black coffee table in the foreground holds a bottle of wine, glasses, and an open book. A large, textured cushion is in the lower left foreground.
