

**2026 PROFESSIONAL BOXING**

## PRO TRAINING / FIGHT

Targeting our Athlete audience, this includes individuals who participate in competitive sports at any level, from professional athletes to amateur competitors. These individuals are typically highly motivated, goal-oriented, and focused on training and performance. They often have specific needs and preferences when it comes to sporting goods, and they may be willing to pay a premium for high-quality, specialized gear and equipment that can help them reach their goals. We must be aware of the latest trends and innovations in the industry and be able to offer products that meet the demands of this performance-oriented market.

# POWERLOCK 2 PRO BOXING GLOVES – HOOK & LOOP

Lock in and power on with the Everlast Powerlock2 Pro Hook & Loop Training Gloves, the perfect balance of power and protection. Sporting a newly designed turnback hook-and-loop enclosure system and five-layer foam core, the Everlast Powerlock2 Pro Hook & Loop Training Gloves take the tried-and-true Powerlock series to a whole new level. Made from full grain leather these gloves were built to last. Ergonomic grip bar lets you bare down on punches while keeping your hands locked into the proper fist position, ready to throw at a moment's notice. Ventilated palm controls moisture and temperature while sweat resistant polyester foam interior lining provides an extremely comfortable fit and feel that can easily be wiped clean.

- Full grain leather construction
- Five layers of foam core padding
- Ergonomic grip bar
- Ventilated palms
- Padded wrist protection
- Newly designed Powerlock Turnback Hook & Loop Enclosure
- Padded wrists
- Ergonomically secured thumb
- Sweat resistant polyester/nylon foam interior lining

The Powerlock OG Pro Training Gloves deliver the perfect balance of speed, comfort, and protection for bag work, mitt work, and sparring. The elevated design is crafted entirely from super soft, full-grain leather and features C3 Foam technology with an ergonomic, layered construction that guides your hands into a natural fist position. Everdri technology in the lining wicks away sweat for all-day comfort, while the compact silhouette, superior wrist closure, and ergonomic fit provide enhanced protection for wrists, thumbs, and knuckles, keeping hands safe and secure through every session. A hook-and-loop strapped closure system adds extra support for maximum stability and confidence.

- Premium leather construction for the ultimate durability and performance.
- C3 foam (Contoured Closed Cell Foam) provides increased cushioning, support, and force dispersion.
- High-density C3 foam inhibits moisture transfer into the foam padding to keep your gloves lighter and drier during use.
- Full wrist hook–and–loop closure strap for a secure and customizable fit.
- Ergonomic grip bar and secured thumb for proper fist position and injury prevention.
- Everdri inner glove lining for ultimate moisture management and comfort.

The choice of champions, built for professional competition. The Powerlock OG Pro Fight Gloves bring the perfect balance of speed, comfort, and protection while delivering a powerful punch. The elevated design is crafted from a super soft, full-grain leather and incorporates C3 Foam technology with an ergonomic, layered construction that naturally guides your hands into a natural first position. Designed with a compact silhouette, superior wrist closure and leading performance materials to keep hands safe and secure, even for the hardest punchers.

- Premium leather construction for the ultimate durability and performance.
- C3 foam (Contoured Closed Cell Foam) provides increased cushioning, support, and force dispersion.
- High-density C3 foam inhibits moisture transfer to keep your gloves lighter and drier during use.
- Ergonomic grip bar and secured thumb for proper fist positioning and injury prevention.

# ELITE 2 PRO BOXING GLOVES - HOOK & LOOP

The Everlast Elite 2 Pro Boxing Gloves are designed with advanced technology to provide the ultimate protection and performance for fighters and trainers. The 1.5 strap system with a fully adjustable exterior strap and an interior non-adjustable elastic strap ensures a tight and secure fit, while the punched air ventilation holes help with breathability and temperature control. The gloves feature an integrated palm foam section for increased protection and support, as well as an ergonomically correct foam grip bar and attached thumb to help prevent injuries during training. The five-layer foam combination provides high-level impact absorption, and the "splint" style foam combination offers wrist support to help prevent injuries caused by the wrist bending in the wrong direction during impact. The raised cuff panel with a strap channel secures the strap at the same level as the raised section to help reduce the chances of catching anything during training. These gloves are made with high-quality microfiber PU for higher durability than traditional leathers.

- 1.5 strap system for secure fit
- Adjustable exterior strap and non-adjustable interior elastic strap
- Punched air ventilation holes for breathability and temperature control
- Ergonomically correct foam grip bar and attached thumb for injury prevention
- Five-layer foam combination for high-level impact absorption
- "Splint" style foam combination for wrist support and injury prevention
- Raised cuff panel with strap channel for secure fit
- Made of high-quality microfiber PU for durability

# ELITE CE GROIN PROTECTOR

The Everlast Elite Groin Protector is designed to provide maximum protection and comfort during training and competition. The contoured fitted cup and dual-layer foam padding offer ultimate protection for the groin and hips. The lightweight, flexible design allows for increased mobility, and the elastic leg strap keeps the pad secure and comfortable. The elastic waist strap provides needed flexibility and the low profile, sleek design makes it suitable to wear under or over boxing trunks. The dual layer foam design with plastic cup insert offers both mobility and protection. Whether you're training or competing, the Everlast Elite Groin Protector has you covered.

- Contoured fitted cup for ultimate protection of the groin and hips
- Dual-layer foam padding for added protection and comfort
- Elastic leg strap for secure and comfortable fit during training
- Elastic waist strap for flexibility during training and competition
- Low profile, sleek design suitable for wear under or over boxing trunks
