KINROSS WOLAROI JUNIOR SCHOOL

The Whole Child is the Whole Point

SETTING STRONG FOUNDATIONS

A supportive environment where your child can thrive and grow

At Kinross Wolaroi Junior School, we provide a supportive environment where your child can thrive and grow. We encourage intellectual curiosity, creativity, and personal growth, believing that every child has the potential to succeed. As a co-educational, Pre-K to Year 6, Uniting Church school, we tailor learning to individual needs and passions.

Our Junior School offers a diverse academic and co-curricular program that builds resilience and fosters a strong sense of self. With experienced and dedicated teachers, we prioritise assisting students in reaching their full potential.

To inspire your child to explore their interests and passions, we offer a variety of academic, sporting, and extracurricular activities. Our program focuses on building a strong foundation in literacy, numeracy, and critical thinking skills. We blend traditional teaching methods with innovative technologies, providing engaging and interactive learning experiences that challenge and inspire our students.

Beyond academic excellence, we place a strong emphasis on character development and social skills. We encourage our students to be respectful, responsible, and compassionate members of our community. Creating a safe and inclusive school culture is essential for student success, and we strive to provide a supportive environment for all students.

At Kinross Wolaroi Junior School, we believe in a well-rounded education that prepares our students for success in all areas of life. Our comprehensive program includes co-curricular activities in music, drama, art, and sports. We also offer a wide range of extra-curricular activities that introduce students to lifelong skills and interests.

We understand the needs of busy parents and offer outside school hours care through Gowrie. Whether you need occasional or regular care, our onsite facilities are there to support you and your child.

Choosing Kinross Wolaroi Junior School for your child means providing them with a guaranteed pathway into high school and a seamless transition into Year 7. Our junior students receive the best possible academic grounding for their Senior School years.

We focus on empowering each student with the tools and confidence to achieve their full potential. Kinross Wolaroi Junior School is dedicated to the well-being and development of the whole child.

At Kinross Wolaroi, we nurture the leaders of tomorrow through character development and holistic growth. Our school is a place of happiness, where students flourish academically and personally. We welcome you to experience our exceptional school first-hand and look forward to meeting you.

Mr Timothy Kelly
Principal

Mrs Virginia Milliken
**Executive Director,
Head of Junior School**

ENHANCED LEARNING

Tailored Teaching

Our focus on data analysis and tailored learning across the curriculum has made us one of the top-performing primary schools in the region. We have small class sizes, allowing teachers to modify learning tasks based on individual needs and make a big difference in student outcomes.

We provide a rigorous approach to learning, supported by strong and trusting relationships with experienced educators.

Our high expectations for students are guided by comprehensive baseline data analysis, ensuring each student is challenged according to their strengths and weaknesses.

We prioritise strong foundations in literacy and numeracy, using evidence-based programs to enhance reading, writing, and mathematical skills.

Academic Challenge & Academic Care

We offer personalised learning enhancement support from a full-time educator and in-class support staff. Our individual attention ensures that students receive tailored programs to improve performance or extend their skills. Additional support services, such as speech and language therapy, are available for students who need them. Classrooms are equipped with a diverse selection of hands-on resources that empower educators to create an inclusive learning environment.

A Focus On Wellbeing

We prioritise the holistic development of our students through our UR Strong program, reinforcing inclusive social behaviour and creating a sense of belonging in the classroom and among peers. Our dedicated Wellbeing lessons focus on mindfulness, gratitude, and friendship skills, empowering students to have healthy, respectful relationships.

Languages

French is taught from Year 3 onwards, providing opportunities for students to learn one of the world's fastest-growing languages.

Sport

Our co-curricular sport program promotes a growth mindset, resilience, and a well-rounded approach to physical activity. With a variety of seasonal sports and exceptional sporting facilities, our students develop skills, sportsmanship, and a love for movement. We also offer learn-to-swim and intensive swimming programs within the school timetable at our respected, on-campus swim school.

Music & Drama

Our comprehensive performing arts program allows students to explore their creativity and develop their talents. From Kindergarten onwards, students participate in various music ensembles, private lessons, and performances. Our Junior School stages a musical production and other concerts each year, providing opportunities for students to grow in confidence and creativity.

Extra Curricular

We offer a wide range of exciting activities outside of class time, allowing students to explore their interests and talents. From chess and dance to public speaking and debating, our extracurricular options cater to various passions.

Experiential Learning

We work to provide real-life opportunities for students to apply their classroom learning in a practical and hands-on manner. We believe in extending learning beyond the classroom and offering students experiences that enhance their understanding of concepts.

Round Square

As a member of Round Square, an international network of like-minded schools, we offer world-class programs and experiences that develop global competence, character and confidence. Students have the opportunity to travel, participate in international projects, and engage in service, leadership and adventure activities throughout their life at school.

Learning With Technology

Technology is an integral part of the learning process. Our 1:1 device program ensures that students have regular access to school-owned devices and online learning platforms. We teach responsible digital citizenship and provide opportunities for students to engage in technology-related learning through our dedicated STEM facility.

Smooth Transitions

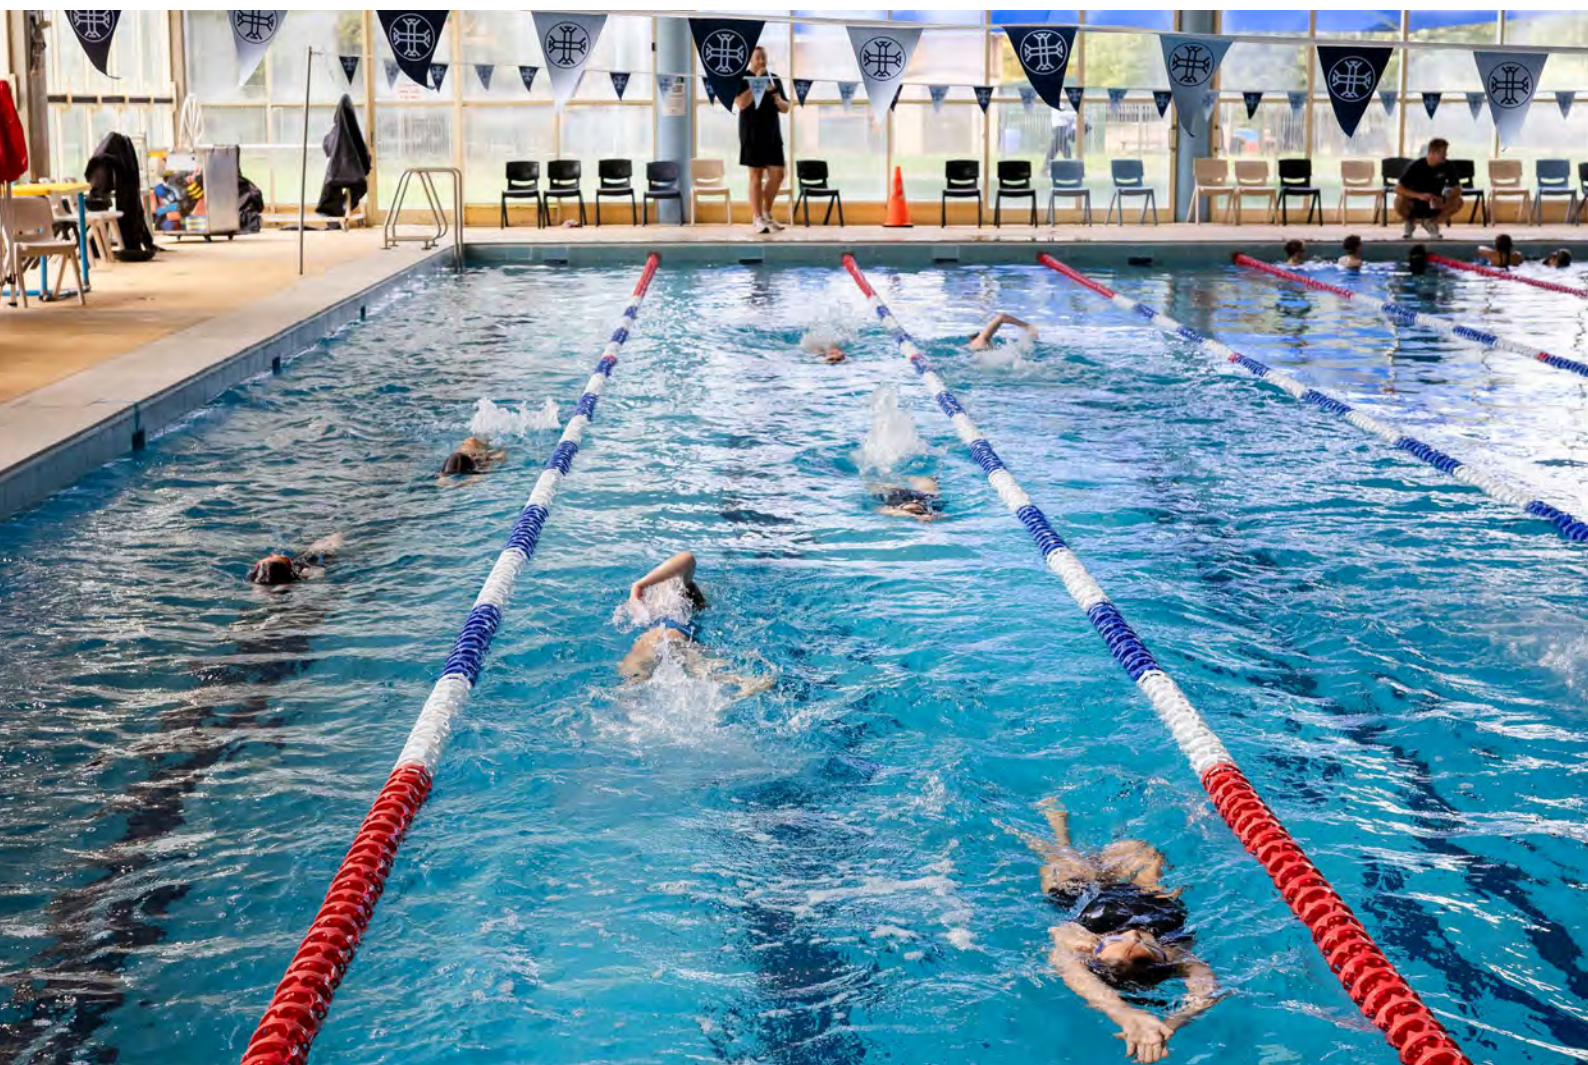

At Kinross Wolaroi, we take a proactive approach to student transitions, ensuring a seamless journey through Junior School to Senior School. Our transition program begins in the early years, focusing on building essential skills like confidence, independence, resilience, and leadership. Tailored initiatives guide students from Pre-Kinder to Kindergarten, through the transition from Year 2 to 3, and into Years 5 and 6 as they prepare for Year 7. With our support, your child will confidently embrace each new phase of their education.

Parent Education

We believe in educating parents as well. Through face-to-face seminars and online workshops, we keep parents informed and involved in our literacy and numeracy programs, as well as our wellbeing strategies.

Community

Become part of a vibrant community of families dedicated to educational excellence. Our supportive and friendly parent and carer network collaborates closely with the school, ensuring that each student receives the highest quality educational experience. By joining us, you're not just enrolling in a school, you're embracing a partnership that prioritises your child's success and well-being.

START YOUR JOURNEY

Choosing the right school for your child is a big decision. We invite you to experience Kinross Wolaroi School in person by joining us for a tour or Open Day event. During your visit, we will provide you with insight into the exceptional opportunities we provide for our students.

When to Enrol

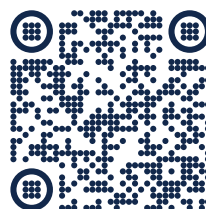

Our formal enrolment process is finalised 18-24 months prior to entry. While our intake years are Pre-Kinder, Kindergarten, Years 3, 5, 7 and 9, we consider other year groups based on availability.

Join us at Kinross Wolaroi School and give your child the best possible start to their educational journey.

Scholarships

The School offers a range of scholarships to support exceptional students. Scholarships are offered annually for academic, music, boarding and general excellence. For more details please visit our website.
