Certificate of Constancy of Performance

1333 – CPR – 00281

In compliance with the Construction Products Regulation 2011 (retained EU law EUR 305/2011) as amended by the Construction Products (Amendment etc.) (EU Exit) Regulations 2019 and the Construction Products (Amendment etc.) (EU Exit) Regulations 2020, this certificate applies to the construction product:

Ground granulated blast furnace slag

intended for use in

the production of concrete, mortar and grout

placed on the market by

Invicta

Robert Brett House, Ashford Road, Canterbury, Kent CT4 7PP

from the import terminal at

**Invicta Terminal, Great Basin Road,
Port of Sheerness, Kent ME12 1RS**

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard:

EN 15167-1:2006

under system 1+ are applied and that

the product fulfils all the prescribed requirements set out above.

This certificate was first issued on 28th June 2025 and remains valid as long as the test methods and/or factory production control requirements included in the designated standard, used to assess the performance of the declared essential characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the product certification body.

Date Authorised: 28th June 2025
