LETTER FROM CEO

Assalamualaikum Warahmatullahi Wa barakatuhu,

I cannot begin to express my sincere gratitude for your ongoing support of National Zakat Foundation (NZF) and Nisa Homes. Your belief in the power of local Zakat has created a profound impact, touching the lives of thousands of Muslims across Canada, and I cannot thank you enough for being an integral part of our journey.

Over the past year, we have faced unprecedented challenges with the rising demand for our services, and our teams have worked tirelessly to ensure that we continue to meet the crucial and growing needs of our community. The generosity of our donors and supporters has made all of this possible, and we are truly humbled and honoured by the trust you place in us.

In 2022, we opened two new Nisa Homes locations, for a total of 10 homes across Canada, providing shelter to 358 women and children. Alhamdulillah, we also distributed a record-breaking amount of over \$4 Million in Zakat funds to deserving Canadian Muslims, with over \$2 Million dedicated to addressing food insecurity in our community. Over 17,000 individuals were directly impacted, and their lives changed for the better.

As we look ahead to the future, we remain committed to our mission to revive this essential pillar of Islam. More than ever, **we need your support to continue bringing Zakat to beneficiaries**, wherever they may be across the country. We know that there is much work to be done, but we are confident that with your continued support, we can create and uplift a strong Canadian Muslim community and ensure no Muslim is left behind.

JazakumAllahu Khairan for standing together with us. May Allah (SWT) reward you all immensely, and may He allow us to continue to do His work, bringing positive change and making a lasting impact on all those we serve.

A handwritten signature in black ink, reading 'Zubair Qasim'.

Our mission is to make the pillar of Zakat **simple, transparent and impactful** across Canada.

At National Zakat Foundation, we envision a **Muslim community that is dignified and unified** through the prophetic teachings of Zakat.

“Who will lend to Allah a good loan which Allah will multiply many times over?”

It is Allah alone who decreases and increases wealth. And to Him you will all be returned.”

Qur'an [2:245]
