About Webbuggs: Who We Are

Experienced WordPress Developers + Everyday AI Helpers

Expert Team

30+ senior developers, each with an average of 6+ years specializing in WordPress solutions.

Faster Code

Leveraging GitHub Copilot to accelerate code writing and enhance development efficiency.

Smarter Communication

Utilizing ChatGPT to craft superior documentation and client communications.

Optimized SEO

Employing AI-powered SEO tools for improved search visibility and online presence.

- Our streamlined approach results in clean, reliable websites delivered quicker and more affordably.
- Our core focus includes: **Custom Themes, WooCommerce Stores, Maintenance, and ongoing Support.**

What We Can Build for You

Practical WordPress Solutions with Smart AI Assistance

Custom WordPress Themes & Child Themes

WooCommerce Online Stores & Product Setup

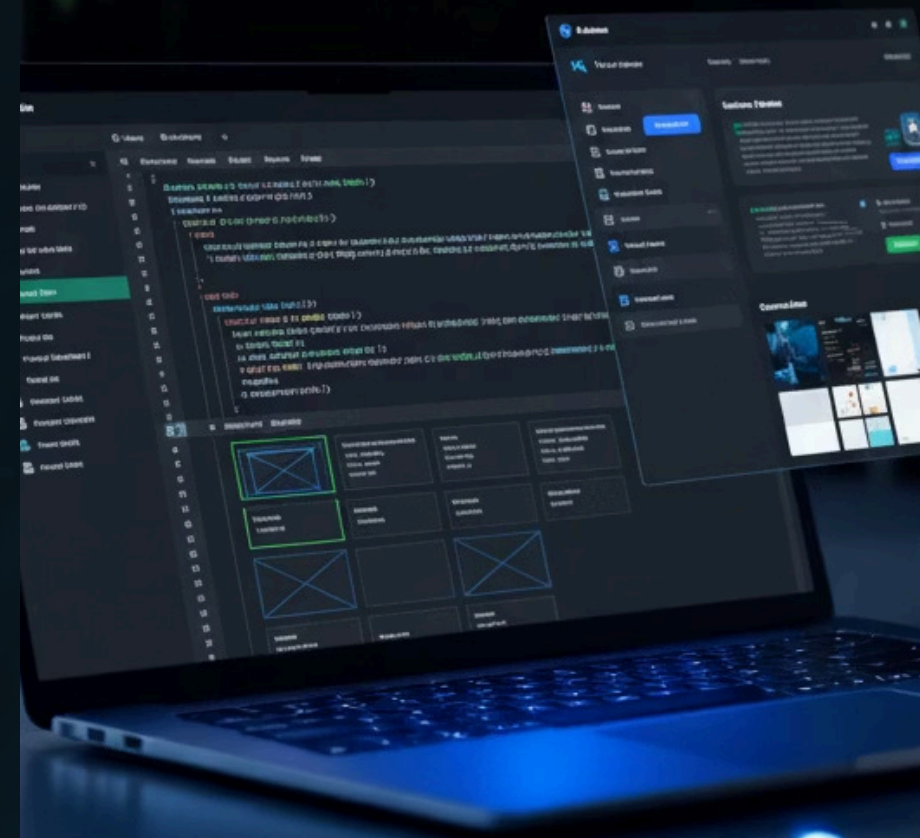

Blog & Corporate Websites with Easy Content Management

Speed Optimization
(images, caching, database cleanup)

Maintenance, Updates & Security Monitoring

Simple Plugin Customizations & Fixes

Our AI tools act as powerful co-pilots, helping us to quickly generate code snippets, write better product descriptions, and suggest performance improvements.

Why Clients Choose Us

The Webbuggs Advantage

Good Work + Smart Tools = Better Value

Experienced WordPress Developers

Our team deeply understands WordPress, ensuring robust and scalable solutions for your projects.

AI-Enhanced Efficiency

We leverage cutting-edge AI tools to accelerate development without ever compromising on quality.

Affordable Rates

Benefit from competitive pricing: starting from \$20/hour or \$3,000/month for a dedicated developer.

Seamless Integration

Our developers work within your timezone and integrate directly with your preferred communication tools.

1-Week Risk-Free Trial

Experience our quality firsthand with a complimentary trial period to ensure complete satisfaction.

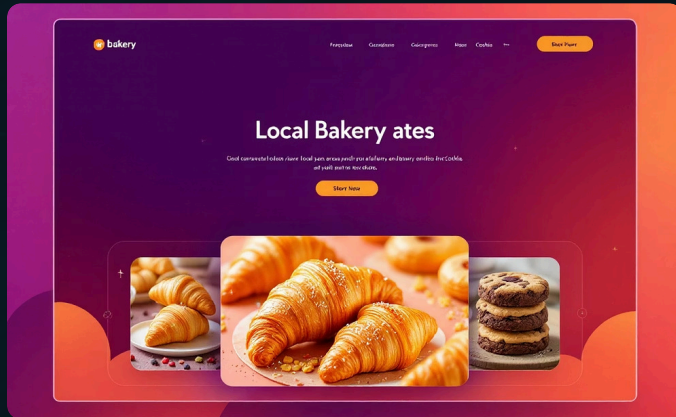

Maintainable Codebase

We deliver clean, well-organized code that is easy to understand, update, and maintain long-term.

- Compared to traditional US rates, our approach can lead to significant savings of up to 50% while maintaining exceptional quality.

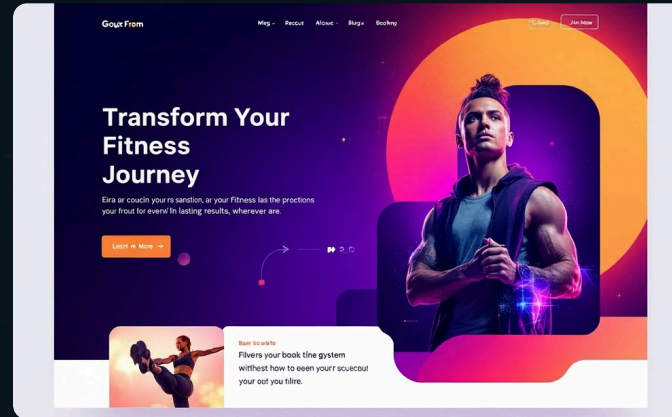

Portfolio Examples

Recent Projects We're Proud Of: Real Businesses, Real Results

Local Bakery Shop

Beautiful WooCommerce store with easy product management. Used AI to quickly write product descriptions → **35% more online orders** in first 3 months.

Fitness Coach Personal Website

Modern blog + booking system. AI helped optimize images and speed → Google PageSpeed score went from **62 to 94**.

Online Course Creator

Membership site with LearnDash. Fast theme customization using AI code suggestions → launched **2 weeks earlier** than planned.
