Chairman's Note

In Loving Memory of Shri Hari Ram Gupta

As we present this catalogue, we honour the vision and values of our beloved founder and chairman, Lt. Shri Hari Ram Gupta, whose inspiring leadership continues to guide us.

From humble beginnings in 1965 as a hardware businessman in Dimapur, Nagaland and then in 1998 as a premium tiles and sanitary ware dealer, his unwavering dedication to excellence laid the foundation for what Global Ceramics Pvt. Ltd. stands for today. His dream was to provide products and redefine lifestyles by bringing elegance, innovation, and luxury into every home. The launch of Glocera in 2008 marked a significant milestone in his journey of entrepreneurship, followed by the establishment of our manufacturing facility in 2016. In 2024, he envisioned GCware as a brand that embodies the perfect blend of sophistication and functionality, offering a range of designer bathroom solutions for modern living.

Though he is no longer with us, his vision remains the cornerstone of our endeavours. Every product we craft, every design we innovate, and every relationship we build is a tribute to his passion and purpose. We are committed to carrying forward his legacy with the same spirit of integrity, creativity, and customer-centric focus.

With gratitude for the path he paved and the trust you place in us, we welcome you to explore the timeless elegance and innovation that our brands stand for.
