1 Precondition

It is a condition of using Cars on Demand Pty Ltd ACN 138 951 390 (hereafter referred to as COD) for ground transport services (Service) that you (customer) have reviewed and agree to these Terms and Conditions. These Terms and Conditions are posted on the COD website, <http://www.carsondemand.com.au> (Site) and are subject to change from time to time at COD's discretion. It is the responsibility of customers and guest users of COD services to familiarize themselves with these Terms and Conditions prior to each booking as they constitute a binding agreement between the customer and COD in relation to the provision of all Services, and may change from time to time.

2 Pricing

2.1 Pricing Quotes

Various pricing structures apply to bookings of Services through COD (bookings). These include normal 'rack' and peak rates, and rates applicable to special vehicle, event, or other specific customer requirements, and may include affiliate, and/or subcontractor charges or other disbursements.

COD will, when quoting for Services, endeavor to secure the most attractive and competitive pricing in the circumstances. Pricing indicated via the automated pricing feature on the website is displayed to the best of the ability provided by the mapping tools utilized, and COD reserves the right to vary such prices at its discretion.

Instant online quotes can also be requested via the website, but the same principles as pricing apply as outlined above. Please note, you may contact COD by telephone directly on AUS 1300 638 258 or +61 413 905 215 (International) to discuss your booking requirements, but no verbal pricing quotes will be given. You must secure the price online using the instant quote feature. Alternatively, you can email your requirements if they are not available via the website, and COD will submit a written quote if the service can be provided. This approach avoids any confusion or misunderstandings arising.

2.2 Additional Charges

Additional charges may apply and are clearly outlined in the price guide link on the Site Homepage. It is a condition of using COD that you agree to the application of relevant additional charges as outlined and regularly updated on our website.

2.3 Gratuities

COD does not include any gratuities or non-disclosed fees or commissions in the quoted trip price. Any gratuity is at the customer's sole discretion and is entirely a matter between the driver and customer. COD is unable to facilitate or process the transfer of any gratuity by way of its credit card facilities or otherwise and takes no responsibility in relation to gratuities.

3 Registration

Customers may register with COD online through the Site by way of a simple process, as outlined below. Once registered, customers are ‘members’ for the purposes of these Terms and Conditions and are referred to as such on the Site.

3.1 Customer Profile

To register, customers must complete a customer registration form including customer name and certain other personal details. Customers must create such profiles in their own name.

Customer profiles must also show the customer email address as the ‘Login Email’ and other relevant contact details are also required to be uploaded.

Registered customers are required to update profile information when relevant personal details change. Failure to update information which results in booking errors will be the responsibility of the customer, and where applicable, full ‘no-show’ or cancellation fees may apply at COD’s discretion.

3.2 Credit Card Registration

Customers are required to include as part of their registration details valid credit card details. This is completed by way of a link from the Site through a secure gateway, to payment gateway facilities operated by Stripe, a PCI-DSS compliant payment gateway. COD itself does not have access to and does not store customer credit card information.

COD does not accept payment in vehicles, and accordingly, credit card registration is essential. If a customer fails to register credit card details in the manner described above, the Site will not allow bookings to be made.

Credit Card details should be updated and kept current at all times. Failure to update credit card information which results in a charge error and subsequent need for COD to manually process the relevant charge will attract a 10*administration fee*.

Customers should register only their own credit card as part of customer profile details. Please note that customers are strictly prohibited from registering someone else’s credit card details in their profile. Strict laws and regulations govern the use of credit cards, and using someone else’s credit card may constitute fraud or otherwise breach such laws and is strictly prohibited. Any customer found to be non-compliant with this requirement will have their account immediately suspended.

4 Favourite Destinations

Customers may store an unlimited number of easy access destinations by using the ‘Favourites’ function in their profile. COD does not take any responsibility for the information provided. Customers should enter that information carefully and keep it updated at all times. Any incorrect or out-of-date information which leads to a booking error will be the full responsibility of the customer, and full ‘no-show’ or cancellation fees may apply at COD’s discretion.

Airports should never be saved as a favourite destination as mapping software regularly updates coordinates and digital descriptors related to airport locations, and using an old “favourite” version of an airport may cause booking errors and pricing inaccuracies.

Customers should always type the airport required directly into the booking form field and select the first option that appears. Where domestic and international airports (such as Sydney) are in separate terminals, the system will prompt the user to select Domestic or International and map accordingly.

5 Favourite Guests

Customers may store an unlimited number of easy access guest profiles by using the 'Guest Favourites' function in their profile. COD does not take any responsibility for the information provided. Customers should enter guest information carefully and keep it updated at all times. Any incorrect or out-of-date information which leads to a booking error will be the full responsibility of the customer, and full 'no-show' or cancellation fees may apply at COD's discretion.

6 Making Bookings

COD recommends that bookings be made as far in advance as practical to ensure a vehicle can be made available at the time requested. COD will honor any booking made online, via the mobile app, or by telephone as outlined below, provided all of these Terms and Conditions are met, including providing COD with correct booking details (including correct address and contact numbers) and valid credit card details at the time of booking.

All bookings confirmed by COD by email or SMS may be taken by the customer to be accepted by COD in accordance with these Terms and Conditions, provided that all details given by the customer at the time of booking, including credit card details, are correct at that time and remain so until the time of provision of the relevant Service.

COD is unable to guarantee the availability of a vehicle when a booking is made online, via the mobile app, or by telephone on short notice, or where no email or SMS confirmation of a booking has been given by COD.

6.1 Airport Bookings

When making bookings for airport pickups, it is essential that you include a valid flight number and indicate the scheduled arrival time of that flight as the pickup time. We offer substantial courtesy waiting times at both Domestic and International Terminals. Please see the section on waiting times for full details.

6.2 Regular Bookings

'Regular' bookings are, for the purposes of these Terms and Conditions, bookings for local luxury sedan transport made 4 hours or more prior to the scheduled pickup time between 8am and 6pm AEDT daily. Regular bookings can be made either online at the Site (www.carsondemand.com.au), via the mobile app, or by telephone (toll free AUS 1300 638 258 or +61 413 905 215).

IMPORTANT NOTE: Online and mobile app bookings are reviewed for placement continuously between 8am and 6pm (AEDT) every day. Online or mobile app bookings made after 6pm are viewed for placement the following morning from 8am. COD takes no responsibility for online or mobile app bookings made after 6pm but before 8am AEDT

the following day. Such bookings will be treated as having been made the following morning at 8am AEDT.

COD will make every effort to place regular bookings and allocate a vehicle but reserves the right to reject a booking if an appropriate vehicle cannot be allocated.

6.3 Special Event Bookings

Bookings for special events (including concerts, sporting events, and touring shows) are associated with a high demand for ground transport to/from the relevant event, including hire cars. It is strongly recommended that customers book ground transport for such events well in advance.

COD will make every attempt to place the booking and allocate a vehicle but reserves the right to refuse a booking if an appropriate vehicle cannot be allocated.

Please refer to the 'Cancellations' section below for special cancellation conditions relating to special event bookings.

6.4 Special Vehicle Bookings

Bookings for special vehicles (including luxury European sedans, people movers, or buses) should be made well in advance of the booking date.

COD will make every attempt to place the booking and allocate the special vehicle(s) requested but reserves the right to refuse a booking if an appropriate vehicle cannot be allocated.

Please refer to the 'Cancellations' section below for special cancellation conditions relating to Special Vehicle Bookings.

6.5 Online Bookings

COD prefers customers to make bookings online or via the mobile app. Online and mobile app booking is the most efficient means of securing bookings for both customers and COD and allows COD to accurately capture relevant data and maintain an audit trail.

6.6 Phone Bookings

If the customer does not readily have online or mobile app access, a call can be made to our 24/7 call center on 1300 638 258 or +61 413 905 215, and an operator can assist an existing customer with creating a booking.

6.7 Other Methods of Booking

All other methods of bookings (including email, text message, and voice message) are not accepted by COD, and COD takes no responsibility for any bookings made in any manner other than by booking online, via the mobile app, or speaking with an operator via phone (AUS 1300 638 258 or +61 413 905 215 for overseas callers).

6.8 Guest Bookings

Customers can easily make bookings for guests under their account:

- Customer logs in to his/her account and enters the guest details in the passenger details section of the booking form. A customer can store regular Guest details in the favorites file to make this process easier.
- Once the trip is taken, the applicable charge will automatically be made to the customer's credit card, and a receipt emailed or sent via SMS showing the guest customer details. In this instance, the customer takes full responsibility for charges incurred by or on behalf of the guest. COD expects full payment directly from the customer whose profile was used and will not enter into any payment negotiations with the guest customer(s).

These Terms and Conditions apply to all guest bookings.

7 Baby Seats

COD can provide a baby or child seat for an additional fee of 25. *Please be very clear about this requirement as a mover vehicle may be required (as appropriate and subject to availability). Vehicles with baby/child seats may be required.*

COD will make every attempt to secure a baby/child seat if one is required but reserves the right to decline a booking requiring a baby/child seat if that booking cannot be allocated to a vehicle fitted with a baby/child seat complying with Australian Standards.

If a booking is made without a confirmed baby/child seat and on pick-up a baby/child requiring such a seat is amongst the customer's group, the driver must refuse the job and will contact a COD operations manager immediately. In such instances, COD will attempt to secure a suitably fitted vehicle on short notice with appropriate seating. If COD is unable to allocate the job within a reasonable timeframe, it reserves the right to cancel the booking, and the full cost of the booking will be charged to the customer.

8 Waiting Time and Charges

Each scheduled pickup includes a free-of-charge courtesy waiting period as outlined below:

- 10 minutes for regular pickups from residential or office locations and train stations.
- 30 minutes for Domestic Airport pickups.
- 60 minutes for International Airport pickups.

For pickup from an office or residential address or a train station, the courtesy waiting period commences from the scheduled pickup time.

For pickup from an airport, the courtesy waiting period commences upon the actual landing of the flight indicated in the booking.

COD will charge for waiting time following the expiry of the applicable courtesy waiting period. Waiting time (calculated on a per-vehicle basis) will be charged to the customer at the rate of 1.50 *per minute for regular sedans* and 2.50 *per minute for Special Vehicles* (see special vehicles section of these Terms and Conditions for a list of vehicles which fall under this category). Customer expressly consents to such amounts being

added to the cost of the Service and undertakes to pay all such amounts and authorizes COD to charge fees for waiting time to the nominated credit card in addition to the agreed price of the relevant Service.

9 Meet & Greet

COD offers a 'Meet and Greet' airport service at no extra charge. The allocated driver will be instructed to meet the customer at the limousine meeting point with a digital sign (mobile or tablet) indicating the nominated passenger's surname. The driver will then escort the passengers to the designated vehicle location, assisting with luggage as required.

10 Booking History

Customers can access their booking history at any time via their member profile on the Site or mobile app. COD requests that all customers go to their booking history to locate information in relation to credit card statement charges in the first instance before contacting COD. Customers can access all booking/trip history information and may also print copies of receipts/invoices directly from the booking history.

11 Editing Bookings

11.1 Online Edits

Customers should make every attempt to make all booking edits online or via the mobile app. This is efficient for both the customer and COD and also allows COD to easily and reliably capture relevant data and maintain an audit trail.

11.2 Phone Edits

If a customer does not readily have online or mobile app access, a call can be made to our 24/7 call center for assistance (1300 638 258 or +61 413 905 215).

11.3 Other Modes of Booking Edits

No other methods of making booking edits (such as email, text message, voice message, or communicating with drivers) are accepted by COD, and COD takes no responsibility for any edits purported to be made in any way other than online, via the mobile app, or by speaking to an operator by calling the COD contact numbers (AUS 1300 638 258 or +61 413 905 215 for overseas callers).

11.4 Number of Edits per Booking

Each time a customer edits a booking, a complex chain of events occurs to adjust the relevant booking details and reorganize the allocated driver and, in many cases, reassign the booking. COD requests all customers and those making bookings on their behalf to carefully consider their requirements before making or editing a booking.

12 Cancellation of Bookings

12.1 Regular Bookings

12.1.1 More than 4 hours before pickup time:

Bookings may be cancelled up to 4 hours before the scheduled pickup time without incurring any cost.

Please note that COD reserves the right to charge an administration fee of 10 *at its discretion for each cancellation within a free cancellation window of 4 hours, it may charge for cancellations in such circumstances as reasonable*

Any request for waiver of a cancellation fee must be made in writing to the COD Managing Director (see the 'Contact Us' page on the Site for details) and must be made directly by the customer.

12.1.2 LESS than 4 hours before pickup time:

Bookings cancelled less than 4 hours before pickup time will incur the following charges:

- Less than 4 but more than 2 hours: 50% of Trip Cost
- Less than 2 hours: 100% of Trip Cost

COD requests that customers provide notice of any schedule changes well in advance to enable COD to service its customers efficiently and to avoid unnecessary costs.

Customers acknowledge that the above late cancellation charges are a genuine and reasonable estimate of the losses COD incurs in the context of late cancellations, having regard to the fact that COD remains committed to honoring each job placed and to paying its drivers, who have committed (sometimes days in advance) to jobs that are ultimately cancelled. COD is able to attract the best drivers in the industry because of its payment reputation and its commitment to its drivers.

12.2 Special Events

Special events (including but not limited to concerts, sporting events, and touring shows) are associated with a high demand for ground transport, especially hire vehicles. Accordingly, hire vehicles for such special events should be booked well in advance of event dates. When a customer places a booking with COD in connection with a special event, COD takes that as a binding commitment which may mean rejecting bookings by others requiring ground transport for the same special event. All such bookings must be secured with a valid credit card by making the booking online or via the mobile app as a registered customer.

COD requires that customers holding bookings in connection with special events who need to cancel such bookings do so 7 days or more prior to the scheduled pickup time, either by calling our toll-free numbers (AUS 1300 638 258 or +61 413 905 215) or making the cancellation online or via the mobile app.

If a booking in connection with a special event is cancelled with less than 7 days' notice, the customer will be charged the full quoted price of the booking.

12.3 Special Vehicles

Special vehicles (including luxury European sedans, people movers, and buses) should be booked well in advance of trip dates and are secured on the basis of an hourly rate. When a customer places a booking with COD for a special vehicle, it takes that as a binding commitment which may mean rejecting bookings by others requiring a similar vehicle, particularly during peak periods such as holiday, school formal, or wedding seasons. All such bookings must be secured with a valid credit card by making the booking online or via the mobile app as a registered customer.

COD requires that customers holding bookings of special vehicles who need to cancel such bookings do so 7 days or more prior to the scheduled pickup time, either by calling our toll-free numbers (AUS 1300 638 258 or +61 413 905 215) or cancelling online or via the mobile app.

If a special vehicle booking is cancelled with less than 7 days' notice, the customer will be charged the full cost of the booking.

13 Connecting With the Driver

13.1 Driver Text Message

All COD drivers are obliged to send a text message to the passenger's nominated mobile telephone number approximately 10 minutes prior to the scheduled pickup time. The text message will confirm the driver's name, hire vehicle plate number, and that the driver is waiting at the designated pickup point. For added security, all local phone numbers are masked when clients and chauffeurs communicate. Please ensure the nominated mobile telephone is switched on prior to pickup time. Customers are requested to check for the driver's text message.

13.2 Designated Airport Pickup Points

The customer is responsible for familiarizing themselves with designated airport pickup points and being present at these points for all COD airport pickups. The designated pickup points are outlined on the COD website. You can access the details by clicking on the icon Finding Your Driver at the lower left-hand side of the homepage www.carsondemand.com.au. Drivers will be waiting at these pickup points with a digital sign (mobile or tablet) with the customer's name on it.

13.3 Locating the Driver

If a customer is unable to locate the allocated driver, customers are requested to contact the driver on the number identified in the driver's text message and to attempt to locate the driver.

In the event that a customer does not receive a text message from the driver, please contact COD before leaving the pickup point.

14 No Shows / Abandoned Trips

14.1 Driver Not at Pickup Point

If a customer cannot locate the driver at the pre-determined pickup point, the customer must not leave that point before calling COD (toll free AUS 1300 638 258 or +61 413 905 215). COD will attempt to connect the customer with the allocated driver or make alternate arrangements. If the customer leaves the pickup point without calling COD, the customer will be liable to pay the full trip cost.

14.2 Customer Not at Pickup Point

If a customer is not at the pre-determined pickup point at the pickup time and does not contact the driver within the courtesy waiting period (see the 'Waiting Time and Charges' section above), the driver will call COD, which will then attempt to contact the customer on the customer's designated mobile telephone, home telephone, or designated contact person's telephone (in each case depending on the nature of the Service booked). If such contact does not result in prompt pickup of the customer, then COD will release the vehicle and driver from the relevant booking, and the customer will be liable for the full trip cost.

14.3 Customer No Show after Authorised Waiting Time

If a customer has authorized and agreed to pay a waiting fee prior to pickup, the driver will wait up to 2 hours in addition to the courtesy waiting time. If at the end of this waiting time COD or the allocated driver have not made contact with the customer, then COD will attempt to contact the customer on the customer's designated mobile telephone, home telephone, or designated contact person's telephone, in each case depending on the nature of the Service booked. If such contact does not result in prompt pickup of the customer, then COD will release the vehicle and driver from the relevant booking, and the customer will be liable for the full trip cost plus the waiting time.

14.4 Invalid Flight Number

If a customer has indicated an invalid flight number on the booking sheet, the driver, on checking for flight arrival times, will make contact with COD, who will then attempt to make contact with the passenger or the designated contact person to get valid flight details. If COD cannot make contact with the passenger or other designated person, the driver will be instructed to go to the airport and wait at the designated pickup time. In this case, waiting time charges will commence after only a 10-minute courtesy waiting period as we have no way of assessing the actual flight arrival time. It is a condition of using our services that you unconditionally agree to this condition and agree to the extra waiting time charges in instances where you or someone booking on your behalf using your account have provided an invalid flight number, and COD has not been able to make contact to clarify the correct details. A COD representative will send an email or SMS to the customer account holder to advise of the situation and the invalid flight number.

15 Lost Property

COD will use reasonable endeavors to return lost property left in vehicles to customers. Found items will be held for 30 days. If the driver is requested to deliver an item found after a trip, COD will contact the customer to arrange delivery to an agreed location. Applicable trip charges will apply for all such deliveries.

16 Damage

Customer expressly authorizes COD to add 200tothecostofthebookingforanyincidentinthevehiclebecause

Customer also agrees to pay for any damage or loss caused, or costs incurred, of whatsoever nature to or in relation to vehicles by the customer or customer's group during the provision of Service, including burned or slashed seats, stains, breakages, technical or mechanical failure to the equipment inside the vehicle, missing items, or any vehicle body damage.

17 Payment

COD drivers are not authorized to accept payment, including in vehicles or under any other circumstances. All bookings must be paid for by valid credit card by registering the credit card under a COD customer account on registration.

Credit cards will only be charged once the trip is taken for all customer bookings. In the circumstances described in these Terms and Conditions in which COD may charge a customer despite the relevant Service not having completed as scheduled (including any 'no shows'), the credit card will be charged for the full cost of the booking and for any additional amounts contemplated by these Terms and Conditions.

COD currently accepts American Express, Visa, and Mastercard. All payments are processed securely through Stripe, a PCI-DSS compliant payment gateway. COD does not store credit card details.

Corporate clients may apply for consolidated monthly invoicing, subject to approval.

18 Receipts/Invoices

18.1 Customers

Once a trip is closed off in our system, an invoice will automatically be emailed or sent via SMS to the email address or phone number indicated in the 'Email Confirmations' field in the customer's profile. Customers may also access receipts/invoices for each trip taken with COD at the Booking History section in the customer's profile. Customers may also generate consolidated invoice reports that display all invoices for trips taken within a nominated period in a consolidated excel spreadsheet format.

19 Payment Collection Fees

Customer agrees to indemnify COD in respect of all legal, accounting, and other fees, costs, and expenses incurred by it relating to the collection of overdue payments owing

to COD by customer, including in respect of any legal proceedings it commences.

20 Disputes

20.1 Corporate Client Credit Card Billing

For customers with corporate accounts including registered credit card details, all charges applied to the customer's credit card will be taken to be correct and payable in accordance with these Terms and Conditions unless COD receives a written objection within 35 days of the charge date detailing the nature and specifics of the matter(s) in dispute, together with copies of any vouchers the subject of the dispute.

20.2 Individual Clients Credit Card Billing

For individual accounts, all charges applied to the customer's credit card will be taken to be correct and payable in accordance with these Terms and Conditions unless COD receives a written objection within 35 days of the charge date detailing the nature and specifics of the matter(s) in dispute, together with copies of any vouchers the subject of the dispute.

20.3 Provisions relating to all Disputes

All disputes and related documentation must be forwarded to the attention of our Disputes Department in writing via email to admin@carsondemand.com.au. All disputes will be reviewed, and a written response provided within 10 business days. We will acknowledge all complaints within 48 hours.

Any investigation that ultimately establishes a charge as a valid credit card charge by COD will incur an administrative fee of 75.

Charges applied for Service will be considered final and non-refundable unless a dispute is notified to COD within the applicable period provided in these Terms and Conditions.

This, and any other behavior deemed to be inappropriate at the sole discretion of the driver, may result in the termination of the Service immediately. Damaged and/or lost equipment (including microphones or remote controls) are the sole responsibility of the customer and will incur a charge equal to the greater of 200 and the retail cost of the relevant item. COD may recover from the customer any costs or expenses incurred.

COD may at its sole discretion determine the method of onward travel. The hirer specifically accepts that the provision of Service to the customer is in all circumstances provided on 'a best endeavors' basis, and COD will accordingly do anything in its power to

assist as appropriate. However, the customer acknowledges that there can be no specific guarantees in connection with the provision of Service (in terms of time, reliability of the vehicle provided, or other events out of the reasonable control of the driver or COD).

22 GST

The parties agree that all prices and consideration referred to in these Terms and Conditions, or otherwise quoted and charged in connection with the provision of Services, are inclusive of GST, unless expressed otherwise. If a party (Supplier) makes a supply in respect of which GST is imposed and that supply is not inclusive of GST in the manner specified in this section, then the consideration for the supply (Consideration) is increased by, and the recipient of the supply must also pay to the Supplier, an amount equal to the GST payable by the Supplier on the supply. Any increased amount under this paragraph will be payable to the Supplier in the same manner and at the same time as the Consideration is payable to the Supplier (as provided in these Terms and Conditions or as otherwise agreed in writing), provided that the recipient has received from the Supplier a tax invoice in the form required by GST Law.

In this section, a word or expression defined in the A New Tax System (Goods and Services Tax) Act 1999 (Cth) has the meaning given to it in that Act.

23 Privacy & Confidentiality

COD values client confidentiality, including discretion during in-car discussions. Please refer to the Privacy Policy posted on the website (www.carsondemand.com.au) for details on how we collect, use, and protect your personal information.
