

Statement for Child Safety

STAR Community Services Ltd (STAR) is committed to creating and maintaining a child-safe environment where the safety, wellbeing, and rights of children and young people are protected and promoted at all times.

This commitment is guided by the National Principles for Child Safe Organisations and the Commonwealth Child Safe Framework.

STAR is funded under the Commonwealth Home Support Program (CHSP) primarily to support older people. STAR does not have employees who work with Children.

STAR Employees may have incidental contact that is likely to be irregular or unplanned, arising as a chance or minor consequence. For example, when children and young people may be present in homes, community settings, or service environments where STAR services are delivered.

STAR acknowledges its responsibility to ensure child safety in all aspects of service delivery. A reference to “employees” includes permanent, contract and casual employees, directors, volunteers, contractors, and other representatives acting on behalf of STAR in any capacity.
