

Accelerated Reader

Parent Workshop

Accelerated Reader 25/26

Star Assessments

- Screening periods spread across the academic year (Autumn, Christmas, Spring and Summer)
- **Adaptive, independent** test that calculates a reading level solely based on the children's responses

22 / 34

Stop Test

When a submarine is just below the surface, sailors can use a periscope.

A *telescope* allows people to see far away into space. What does a *periscope* allow people in a submarine to do?

- 1 breathe while the submarine is underwater
- 2 see around the surface above them
- 3 travel much faster through the ocean
- 4 talk to people on land

Accelerated Reader @ Leigham Primary

- Children can then use their ZPD to choose books from our school library/myOn
- Quizzes are completed in school and are independent
- It is not a memory test, so they can skim their books to locate information
- Quizzes use multi-choice questions
- Children will repeat their star assessment four times during an academic year (Autumn, Christmas, Spring and Summer)
- Children can choose within their range (2.4 – 3.4) but are encouraged to start at the lower range so ensure they are achieving success

myOn

myON is a personalized digital library providing students access to thousands of age-appropriate digital books, news articles, and other texts, matched to their interests and reading level.

- Children can access myOn **at home** but will quiz independently in school

Click this to link your child's Star test result (using the same username and password). Recommended books will then be at your child's reading level.

myOn

- To access myOn, you will need to access the Leigham Primary School portal.

This is also saved on our school website. Curriculum>English>Reading>Accelerated Reader

- Children will select the icon for myOn so they can start browsing their personalised library.
- When a ebook is completed, the children can quiz in school.
