Make Doing Business a Breeze

BECOME A HOUSEAMP SERVICE PROVIDER

What is HouseAmp

HouseAmp is a platform that connects service providers to agents and homeowners in order to make home improvements during the listing process. We've partnered with HouseAmp to simplify the renovation process for our agents, homeowners and service providers alike.

How to Sign Up

STEP 1
Create Your Account
It takes less than **60 seconds**

STEP 2
Get Jobs
Manage projects directly with agents and homeowners.

STEP 3
Get Paid
Approved invoices are **paid weekly***

All invoices are paid via the HouseAmp platform and incur a 3.49% service fee.

Platform Benefits

- **Easy Payments**- Invoices are paid directly to your designated account

- **Project Leads**- Get discovered on the HouseAmp Marketplace

- **Offer financing**- Invite new clients who need financing to get their house ready to sell

- **Equity Estimator**- Before you invite clients, you can check their available equity

Create Your Account

"One of the great things about it is how easily and quickly the service pros were paid from the program, and how eager they were to do it. In fact, I've had vendors call me back going, 'Hey, that was so easy... I want to do it again.'"

—Terry R., Realtor
