

HouseAmp is an **improve now, pay later platform** that connects agents, homeowners, lenders, and trusted service pros to fund home updates, moving costs, staging, and more—whether homeowners are **selling** or **buying**.

Homeowners can quickly apply and **access funds up to \$250,000** within days—all via the platform.**

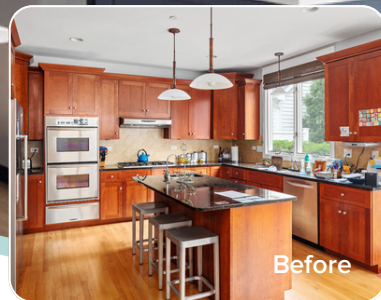

Use **preferred service pros**, or find new ones in the area. All invoicing and payments occur within the platform.

Use funds for services related to **expense of the sale** or **home improvements**. Available Nationwide*

Can be used for **last-minute inspection-related** projects to help save deals.
